Viper is earthquakes own engine (chinese made) the other engine I am seeing in my shop more frequently is loncin which is also chinese made. LCT is becoming more popular and now tied in with tecumseh under the lauson company which are warrantied through tecumseh dealers.

~~Off Brand engines? | Lawn Mower Forum~~

Hello Bob, The engine might start but while this may not sound serious, this can also create an overheating condition that can damage internal transmission parts. Other possibilities could be an engine related problem that will cause the computer to not allow the transmission to shift into higher gears. You should look into fixing or replacing the transmission.
