This series offers complete coverage of Standard Grade targets, in a carefully considered order and is written by authors of New Maths in Action S1 and S2 to ensure progression from 5-14. There are three Teacher Resource Packs available for each year providing complete support for each of the Student Books.

This suite of straightforward, easy to manage suite of resources comprises a Student Book and Teacher Support Pack and CD-ROM for each of years 7, 8 and 9.

The Measure, Shape and Space Worksheet Pack covers the Curriculum area of Measure, Shape and Space for Entry level 1 and 2. The Worksheets feature self contained activities providing explanation, examples and activities on each topic area, without the need for supplementary resources Exercises progress from simple numerical questions gradually increasing in difficulty to incorporate numbers into language. Suggestions for alternative methods of learning are provided for students who are struggling to comprehend a particular topic.

The book presents a more comprehensive treatment of transmutation operators associated with the Bessel operator, and explores many of their properties. They are fundamental in the complete study of
