Reflections on a place. May 2010. David Gavaghan reflects on his time at SIB as he prepares to leave Northern Ireland. As I clear my desk, re-discovering old documents, I look out of my window at the eerily silent Belfast City Airport, with the magnificent backdrop of Divis and Black Mountain and Belfast Harbour.

~~Reflections on a place—agenda~~

The reflection toolkit. Reflection requires a number of skills which can easily be developed. Self-awareness – an ability to pause, to pay attention to thoughts and feelings and to self-question non-judgementally. This will help you to become aware of your habitual ways of thinking and behaving in any given situation).

The 10 best places for reflection. From Reykjavik to Tate Modern, we look at spaces to inspire contemplation during Lent.

~~The 10 best places for reflection | Culture | The Guardian~~

Sometimes you will receive reflections that are hard to mark against your criteria or are indeed better than your rubric would suggest. However, having a rubric will give you a place to start for these reflections. If you find that your rubric consistently misses aspects this would suggest the criteria need updated.
