Academies Of Art | Encyclopedia.com  
Academy of art, in the visual arts, institution established primarily for the instruction of artists but often endowed with other functions, most significantly that of providing a place of exhibition for students and mature artists accepted as members. In the late 15th and early 16th centuries, a series of short-lived " academies " that had little to do with artistic training were founded in various parts of Italy.

Academy of art | Britannica  
Originally published in 1940, this book charts the origins and evolution of academies of art from the sixteenth century to the first half of the twentieth century. Pevsner expertly explains the political, religious and mercantile forces affecting the education of artists in various countries in Western Europe, and the growing 'academisation' of artistic training that he saw in his own day.

Academies of art, past and present. - Ghent University Library  
Magazine Home > The Royal Academy of Art: Past, Present and Future. On a winter ' s day in November 1768, architect Sir William Chambers, along with three fellow artists, converged on St James ' s Palace for an audience with King George III. There was just one thing on their minds — to secure the monarch ' s support for the establishment of a " well regulated School or Academy of Design " which, they hoped, would be the British equivalent to similar, well-regarded institutions ...
