For introductory courses in Financial Accounting taught from a more traditional “preparer” approach. Financial Accounting, 8e helps students “nail” the accounting cycle! Financial Accounting helps students “nail” the accounting cycle up front in order to increase success and retention later on. The concepts and mechanics students learn in the critical ‘accounting cycle’ chapters are used consistently and repetitively—and with clear-cut details and explanations—throughout the remainder of the text, minimizing confusion. MyAccountingLab, the text’s online homework system, then provides students with a personalized learning environment that tests and strengthens their skills and understanding through unlimited practice. Together, Financial Accounting 8e and MyAccountingLab will help students have more of those “I Get It!” moments. A solid enhancement to already solid fundamentals, the eighth edition now features new co-author Bill Thomas of Baylor University who brings his expertise on auditing, ethics, and internal controls to key sections of the book.

For undergraduate and MBA cost or management accounting courses. Horngren's Cost Accounting spells out the cost accounting market and continues to innovate by consistently integrating the most current practice and theory into the text. This acclaimed, market-leading text emphasises the basic theme of "different costs for different purposes," and reaches beyond cost accounting procedures to consider concepts, analyses, and management. The 17th Edition incorporates the latest research and most up-to-date thinking into all relevant chapters, so that students are prepared for the rewards and challenges they will face in the professional cost accounting world of today and tomorrow.

Success in Accounting starts here! Horngren's Accounting presents the core content of an accounting fundamentals course in an effective and modern format designed to help today's learners succeed. Students learn, within an Australian business context, how financial decision-making is based on accurate and complete accounting information. Clear and consistent explanations of how and why accepted accounting concepts and techniques are used, to ensure students understand what they are reading. Explore the interactive brochure The innovative digital learning resources which accompany Horngren's Accounting provide most effective way to learn and practice the

fundamentals of accounting anytime, anywhere. The eighth edition is accurate and up-to-date, is guided by extensive research and review feedback, and incorporates the very latest Australian Accounting Standards. The new author team has focused on clarity, consistency and accuracy within the content. New and improved learning tools and resources enable educators to help students both inside and outside the classroom. Pearson recommends including MyAccountingLab with your purchase. MyAccountingLab is designed to work with the text and is the perfect way to engage each student effectively, by providing innovative multimedia and content online. This effective learning system integrates quizzes, homework and adaptive learning tools with a complete eText version of this text.

Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.

With its tried-and-true framework and respected author team, Horngren/Harrison/Oliver's Accounting—when combined with MyAccountingLab—is the trusted choice for instructors and students of Principles of Accounting. To package MyAccountingLab with Accounting, order ISBN 0132785862.
