FunRetrospectives is a book with the necessary tools to develop the main element of continuous improvement: an effective, committed team! With several years working with agile teams, Paulo Caroli and Taina~ Caetano Coimbra know there are two main ingredients to finding the path to success and continuous improvement. First, a team that is aligned and committed to the project. Second, a work environment that fosters collaboration, one in which everyone can openly reflect, debate, and learn. But how

can we achieve that? Each person in a team brings a different life experience and perspective, and we know that a group of people doesn't become a team overnight. That's why the main purpose of this work is to offer the necessary activities and tools to make everyone comfortable, aligned, and ready to be part of the best possible experience. The authors have gathered years of experience in this book, offering simple and straightforward activities. There will always be ups and downs, but everything that happens is essential for the team's growth, and a fun, safe environment allows you to get

This book explores the new product development process of firms developing frugal innovation for the base-of-the-pyramid (BOP) markets in developing countries. Frugal innovations are products characterised by an affordable price-point, durability, usability and core functionalities that are highly adapted to BOP consumers' needs. Frugal products have the potential to drive the development progress and living standards of low-income consumers. With an innovation framework developed from worldwide frugal

case studies, this book provides detailed insights through two in-depth start-up firms in Indonesia that have successfully launched frugal products for the low-income market. These two start-ups have addressed two major development challenges for not just Indonesia, but also the global BOP market – traditional methods of cooking and access to clean drinking water. A detailed roadmap is developed from insights into the processes and management decisions of these two start-ups and combined with previous studies on frugal products. Providing a detailed roadmap across the different phases and stages of the
