Always Outnumbered, Always  
Outgunned is the first book in the  
Socrates Fortlow series by Walter  
Mosley. As much as I admire the later  
books in the series, this one is my  
favorite. I first read it before I even  
knew that Amazon existed so I have  
never written a review of it.

Amazon.co.uk Masters of reinvention, rave stalwarts The Prodigy have undergone another remarkable facelift for their fourth album, Always Outnumbered, Never Outgunned. For band leader Liam Howlett, this mutation was less about ambitious experimentation and more the result of crucial damage control: the band's disastrous 2002 comeback campaign, spearheaded by "Baby's Got a Temper" found the band stagnant and on the verge of self-parody.

## Imitation And Life Always Outnumbered Never Outgunned [EBOOK]

This is first studio album of The Prodigy after 1997's The Fat of the Land. Its title is a play on words of the title to the Walter Mosely novel Always Outnumbered, Always Outgunned. Near Liam Howlett is present on the album musically, actress Juliette Lewis, Oasis frontmen Liam and Noel Gallagher, Kool Keith and The Magnificent Ping Pong Bitches.
