Three years after its release, this Audi A6 model was featured on Car and Driver magazine's Ten Best list thanks to a wide range of engines, including the 2.4-liter and 2.8-liter V6 engines, as well as the new optional five-speed Tiptronic automatic transmission. In 2002, the A6 received a facelift for both sedan and Avant versions.

New engine classification on the Audi range Audi will now be standardising the engine descriptions on models in the range based on a car's power output. The names of the model series, from the Audi A1 to the Audi Q7, will remain the same but now a combination of two numbers will replace the various type designations previously used.
