Smith High Series by Marni Bates—Goodreads

Awkward (Smith High #1) : chap 10. Chapter 10 Everything felt off in class that day, mainly because everyone was looking at me instead of Mr. Helm. They seemed to be waiting for something, maybe expecting me to burst into tears. And since my life goal was to fly under the radar, I wasn ’ t thrilled about being on everyone ’ s monitor.

AWKWARD | Kirkus Reviews

I'm Mackenzie Wellesley, and I've spent my life avoiding the spotlight. But that was four million hits ago. . . Blame it on that grade school ballet recital, when I tripped and pulled the curtain down, only to reveal my father kissing my dance instructor. At Smith High, I'm doing a pretty good job of being the awkward freshman people only notice when they need help with homework. Until I send ...

Amazon.com: Awkward (Smith High Book 1) eBook: Bates...

Mackenzie, Smith High ’ s resident geek, is awkward and incredibly funny. She ’ s pretty much the same as most YA teen leads, but she has a certain “ chutzpah ” about her that I really liked. She ’ s definitely not the damsel-in-distress type (which I liked even more, because I really can ’ t stand weak characters).

Amazon.com: Customer reviews: Awkward (Smith High Book 1)

First off, I should tell you I have not read Marni Bates ’ s other books in this Smith High series, but after this one (the fourth in the series), I might grab the other ones and read them. I really liked how the story is divided into three novellas, basically: 1) Awkwardly, 2) Ever, and 3) After. How neat is that, three bangs for your buck!

Awkwardly Ever After (Smith High, #4) by Marni Bates

: Awkward (Smith High Book 1) eBook: Marni Bates: Kindle Store. For some reason I read the third book in this series first, and then later discovered this one. D Who would have forget the almighty Logan? Mackenzie is the most endearing character I think I ’ ve ever encountered.

Awkward (Smith High, #1) by Marni Bates

I'm Mackenzie Wellesley, and I've spent my life avoiding the spotlight. But that was four million hits ago. . . Blame it on that grade school ballet recital, when I tripped and pulled the curtain down, only to reveal my father kissing my dance instructor. At Smith High, I'm doing a pretty good job of being the awkward freshman people only notice when they need help with homework. Until I send a burly football player flying with my massive backpack, and make a disastrous--not to mention unwelcome--attempt at CPR. Just when I think it's time for home schooling, the whole fiasco explodes on Youtube. And then the strangest thing happens. Suddenly, I'm the latest sensation, sucked into a whirlwind of rock stars, paparazzi, and free designer clothes. I even catch the eye of the most popular guy at school. That's when life gets really interesting. . . . "Fans of Meg Cabot will find Marni's voice equally charming and endearing."--Julie Kagawa, New York Times bestselling author

Chelsea Halloway is the most popular girl at Smith High School, but when her parents decide it's best for her to study overseas while they finalize the details of their divorce, Chelsea is sent off to Cambodia and faces the challenges of a lifetime.

While Melanie evaluates her prospects for the prom in light of her crush on her best friend's brother, brainy Isobel wonders at a notorious player's interest and Corey struggles with instant celebrity when she starts dating a teen rock star. Simultaneous eBook.

Marni pulls. Pulls her hair, that is. Unable to deal with the mounting stress at home, in school, and with friends, Marni's compulsion to pluck out her eyebrows, eyelashes . . . even the hair from the top of her head, helped her to quiet her mind and escape the pressures of the world around her. Marni first began pulling the summer just before entering high school, and she was immediately hooked. Unfortunately, by the time she discovered that her habit was an actual disorder—trichotillomania or "trich"—it was way too late. "When I stared at the mirror and tried to recognize the girl without eyebrows, eyelashes, and bangs as myself and failed, I knew something had gone horribly wrong." Because Truth Is More Fascinating Than Fiction

Holly Dayton is about to go way out of her comfort zone. . . Spending Christmas vacation on a cruise with her two cousins from hell isn't Holly's idea of a good time. And when in a moment of seasick-fueled desperation she lurches into an open suite--she's greeted with an eyeful of pepper spray. The culprit? A gorgeous guy calling himself Nick. But when Holly goes to make her exit, she gets the shock of her life: a corridor crammed with screaming teenage fans. Because Nick just happens to be Dominic Wyatt, drummer for ReadySet--one of the hottest bands in America. Suddenly rumors are swirling, and Holly's face is captured on countless phones and plastered all over the Internet. But the band can't risk a scandal destroying their family-friendly image, so Dominic convinces Holly to be his fake girlfriend--just for two weeks. How bad could it be to be fauxmantically involved with one of the cutest rockstars on the planet? Holly's about to find out. . . "Fans of Meg Cabot will find Marni's voice equally charming and endearing."--Julie Kagawa, New York Times bestselling author

Sixteen-year-old Emmy Danvers was just trying to write a halfway decent romance novel when a senile old man mumbled a cryptic warning, tackled her to the ground in the middle of Starbucks, and...died right on top of her. Unfortunately for Emmy, the incident wasn't quite as random as she thought, and it turns out that the old man might have taken a bullet for her. Not only that, he slipped something into her pocket: a digital tablet containing secrets that she has no idea how to unlock, but that others are ready to kill for. Thrust into a world where nothing is as it seems, Emmy must try to track down her absentee father, deal with a flirtatious bad boy who may or may not be on her side, and, oh yeah, stay one step ahead of the killers lurking in the shadows of an exclusive prep school. The old man's parting advice to "trust nobody" doesn't sound so crazy after all.... "Bates weaves a fast-paced, heart-in-throat thriller!" --Mary Elizabeth Summer, author of Trust Me, I'm Lying and Trust Me, I'm Trouble "Dial Em for Murder kept me up--with all the lights on--long past my bedtime." --Tracy Deeb, author of Doomed and The Tempest series, and coauthor of The Hero Agenda series "Marni Bates's Dial Em for Murder has it all: quirky humor, pulse-quickening action, and a sassy heroine you'll love."--Emily McKay, author of The Farm series "A funny and engaging read that will keep you guessing." --Paula Stokes, author of Liars, Inc.

Maintaining a low profile in order to survive high school, Jane Smith receives unwanted attention when she publishes an article in the school newspaper that reveals some of the popular kids' secrets.

What happens when you fall in love with your Kuya ’ s best friend? Thea Balderama, a 220-pound late bloomer, believes that she will never meet her mother ’ s incredibly high standards for beauty. Worse, while Thea deals with her deep-seated insecurities about her weight, she must also study to get into her dream university while keeping up with her boy-crazy best friends. Her life becomes even more complicated when Lucas Benitez, her Kuya ’ s best friend, (and her longtime crush!), returns from the States. As her attraction to Lucas grows, Thea cooks for him, pouring her passion into irresistible merienda, hoping to reach her crush ’ s heart through his stomach, in the hopes that he will think she ’ s beautiful—fat and all. Though Thea knows nothing is a piece of cake, she has a hopeful heart, and she ’ s hungry for love. Being with Lucas might just be worth the risk.

Blaze is tired of spending her life on the sidelines. All she wants is for Mark the Soccer Stud to notice her. Not as Josh's weird sister who drives a turd-brown minivan. And not as that nerdy girl who draws comics. What she gets is her very own arch-nemesis. Name: Mark Deninger, aka Mark the Shark Occupation: Soccer star and all-around lady killer Relationship Status: Serial dater Group Affiliation: No loyalty Known Superpowers: Anti-girlfriend force field, breaking hearts Mark may have humiliated Blaze supervillian-style, but what he doesn't know is how geek girls always get revenge. #GeekGrlzRevenge

NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace ’ s Infinite Jest tour In David Lipsky ’ s view, David Foster Wallace was the best young writer in America. Wallace ’ s pieces for Harper ’ s magazine in the ’ 90s were, according to Lipsky, “ like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming. ” Then Rolling Stone sent Lipsky to join Wallace on the last leg of his book tour for Infinite Jest, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader ’ s escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an “ orgy of spectation ”). They fly back to Illinois, drive home, walk Wallace ’ s dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about Infinite Jest. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, Although Of Course You End Up Becoming Yourself is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace ’ s own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you ’ ve treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it ’ s probably possible to achieve that. I think part of the job we ’ re here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace
