Something about the illustration in
Leslie's books just mesmerizes my 18
month old. She looks intently at every
page as I read that baby is happy or
baby is sad. Seeing as that is basically

As I've said in other reviews, I love Leslie Patricelli books. Some are saying this one is repetitive, and they're right. There's not a whole lot of thought in this story, but the pictures guide how you tell it to your kids. "Baby happy, mmm, look, the baby is eating ice cream! Yummy" and so on. You put story to the illustrations.
