Usain Bolt has been known as the fastest runner in the world since the 2008 Olympic Games in Beijing, China. The Jamaican sprinter earned this title when he set a world record and took home the gold medal in the Men's 100m race. Then he went on to win gold and set world records in the Men's 200m and Men's 4 x 100m Relay events. Usain will set out to prove that he is still the world's fastest person when he competes in the 2012 Olympic Games in London, England. Learn more about Usain's journey from his childhood in western Jamaica to the top of the sports world.

'Chris was on top of the world. He had fulfilled his dream of winning the Tour de France, the sport's greatest race -- but there was always a new challenge around the next corner.' Growing up in Kenya, the young Chris Froome loved cycling so much he built his own bike from spare parts so he could pound the roads in the blazing sunshine. This is the story of how Froome won the Tour de France, the hardest sporting test of them all -- not just once, but three times.

Complete your collection with these limited Ultimate Football Heroes International editions -- now with a bonus World Cup chapter. When Harry Kane was released by Arsenal at nine years old for being too small, he had to use all his self-belief to prove that he could make it as a footballer. Now a superstar striker for Tottenham Hotspur and England, his hard work and determination have paid off. Kane is the amazing story of how the boy from North London became the Premier League's most lethal goalscorer.

This is the story of one of the world's best gymnasts and her journey to greatness. She can jump, twist and somersault better than anyone else on Earth. With more medals than any other American gymnast, Simone Biles has consistently wowed her audience, impressed the judges and won every competition imaginable. This is the story of one of the most skilled gymnasts of all time and her journey from her childhood gymnastics club to the 2021 Tokyo Olympics.

How do little kids become sporting superstars? Find out in this inspiring board book for little ones. Everyone, from Usain Bolt to Simone Biles, was once a small child learning about the world. Read how a diverse array of sporty kids found what they loved to do, worked hard, and followed their passions all the way into adulthood. With adorable illustrations of top sports stars as typical young kids, then as superstar adults, sporting greats will seem like friends to your little one, and kids will see that sporting greatness is achievable. Meet Lionel Messi when he was a small child learning to play football, Usain Bolt before he became a super sprinter, Ellie Simmonds as she developed a love of water, and figure skater Yuzuru Hanyu when he joined his sister on the ice and became a figure skater. Let your child turn the pages and see that, like their heroes, the experiences and passions they have now can lead to incredible achievements.

Autobiography of Usain Bolt Covers his journey from playing cricket and soccer as a kid to becoming the fastest man alive Well-illustrated Years before he set world records for the 100-meter and 200-meter sprints, which made him the fastest man alive and famous, Usain Bolt was a fairly scrawny kid from Trelawny in Jamaica. In this autobiography, Bolt himself shares how, as he grew up and played cricket and soccer, he--and others--learned he could run fast. Very, very fast. Usain Bolt's journey from a kid with humble beginnings to an Olympic gold medal winner is an inspiring and encouraging story. This beautifully illustrated autobiography shares that story from Bolt's perspective. It is a celebration of someone who was inspired by other athletes around the world, someone who worked for years to become the best at his sport. Bolt shares stories of the sacrifices he made, the influence of Cristiano Ronaldo, the power of soccer and dancehall music, and his signature lightning bolt move.

The autobiography of the fastest man of all time and a superstar whose talent and charisma have made him one of the most famous people on the planet.
