Throughout history, selling and entertainment have gone hand in hand - from the medieval pedlar and the medicine show, to generations of TV commercials featuring song and dance, comedy, and cartoon animals, right up to today's celebrities who launch their own multi-million dollar brands.

Throughout history, selling and entertainment have gone hand in hand - from the medieval pedlar and the medicine show, to generations of TV commercials featuring song and dance, comedy, and cartoon animals, right up to today's celebrities who launch their own multi-million dollar brands.

'Hallelujah for a brand new day and the wondrous smell that floats my way.'A poor but happy peddler lives in the attic of a bakery. Whilst he does not have much, he is content with his life. Every morning, he wakes up to the wonderful smell of freshly-baked bread and loudly exclaims his joy through the open window.The baker, however, grows ever more irate that the peddler should enjoy the smell of his bread without ever paying for it. He asks the Rabbi for help.The Rabbi summons the peddler and instructs him to return in one week with enough money to pay the baker back for all the times he has enjoyed the smell of his challah. The peddler works harder than ever that week. On Friday morning, when he returns with as much money as he can scrape together, the rabbi takes his coin-pouch and shakes it for the baker to hear. The sound of the coins is payment, the Rabbi says, for the smell of the bread. Sound and smell, just like Shabbat, are free for everyone in the world to enjoy.A delightful retelling of an inspiring folktale, The Peddler and the Baker teaches the importance of sharing and inclusivity, the beauty of Shabbat and the idea that anyone, regardless of their circumstances, has the right to find joy in the world.A recipe for challah follows the story.

∩Astonishing . . . Explores the vast underground legacy of our own desires. This is the must-read book of the year.∩!Rene Denfeld, bestselling author of The Child Finder A richly imagined debut novel about a traveling salesman and the small town he changes forever If someone offered you a magic elixir that could conjure any dream you wanted . . . would you take it? Traveling salesmen like Robert Owens have passed through Evie Dawson's town before, but none of them offered anything like what he has to sell: dreams, made to order, with satisfaction guaranteed. Soon after he arrives, the community is shocked by the disappearance of Evie's young son. The townspeople, shaken by the Dawson family's tragedy and captivated by Robert's subversive magic, begin to experiment with his dreams. And Evie, devastated by grief, turns to Robert for a comfort only he can sell her. But the dream peddler's wares awaken in his customers their most carefully buried desires, and despite all his good intentions, some of them will lead to disaster. Gorgeously told through the eyes of Evie, Robert, and a broad cast of fully realized characters, The Dream Peddler is an imaginative, moving novel of overcoming loss and reckoning with the longings we keep secret.

A pioneer in the commercialization of religion, George Whitefield (1714-1770) is seen by many as the most powerful leader of the Great Awakening in America: through his passionate ministry he united local religious revivals into a national movement before there was a nation. An itinerant British preacher who spent much of his adult life in the American colonies, Whitefield was an immensely popular speaker. Crossing national boundaries and ignoring ecclesiastical controls, he preached outdoors or in public houses and guild halls. In London, crowds of more than thirty thousand gathered to hear him, and his audiences exceeded twenty thousand in Philadelphia and Boston. In this fresh interpretation of Whitefield and his age, Frank Lambert focuses not so much on the evangelist's oratorical skills as on the marketing techniques that he borrowed from his contemporaries in the commercial world. What emerges is a fascinating account of the birth of consumer culture in the eighteenth century, especially the new advertising methods available to those selling goods and services--or salvation. Whitefield faced a problem similar to that of the new Atlantic merchants: how to reach an ever-expanding audience of anonymous strangers, most of whom he would never see face-to-face. To contact this mass "congregation," Whitefield exploited popular print, especially newspapers. In addition, he turned to a technique later imitated by other evangelists such as Dwight L. Moody, Billy Sunday, and Billy Graham: the deployment of advance publicity teams to advertise his coming presentations. Immersed in commerce themselves, Whitefield's auditors appropriated him as a well-publicized English import. He preached against the excesses and luxuries of the spreading consumer society, but he drew heavily on the new commercialism to explain his mission to himself and to his transatlantic audience.

When a poor Irish peddler follows the instructions given to him by Saint Patrick in a dream, his life is greatly changed. Includes background on Saint Patrick and on the origin of the story.

The editor has included a full critical introduction as well as notes at the bottom of each page to help those who are reading the poems for the first time.

There once was a pedlar that sold caps and people came out just to see him walk by with all of the caps stacked on top of his head. Then one day no one came out so he walked away from the town and feel asleep under a tree but when he woke up all of the caps except one had gone!

Caps for Sale is a timeless classic beloved by millions...one of the most popular picture books ever published! This picture book is an excellent choice to share at home or in the classroom, as children love chanting along with the naughty monkeys. Children will delight in following the peddler's efforts to outwit the monkeys and will ask to read it again and again. Caps for Sale is an excellent easy-to-read book that includes repetition, patterns, and colors, perfect for early readers. This tale of a peddler and a band of mischievous monkeys is filled with warmth, humor, and simplicity and also teaches children about problem and resolution. This classic picture book will be appreciated as a birthday, baby shower, or graduation gift!
