Common Core State Standards.

Educational standards
describe what students
should know and be able to
do in each subject in each
grade. In California, the
State Board of Education
decides on the standards for
all students, from
kindergarten through high
school. Since 2010, a number

Online Library California Common Core State

History/Social Studies,
Science, and Technical
Subjects ("the standards")
represent the next
generation of K-12 standards
designed to prepare all
students for success in
college, career, and life by
the time they graduate from
high school. The Common Core
asks students to read
stories and literature, as
well as more complex texts
that provide facts and
background knowledge in
areas such as science and
social studies.
