A novel depicting the racial ferment in the beautiful country of South Africa in 1948.

After 27 years of ANC rule, South Africa is now literally at the crossroads. The economy is sinking fast and the governing party of the day is determined not to deviate from its current path to destruction and ruin. This book will enlighten people across the world as to the truth of the unfolding realities there. Understanding the situation is complex and this book sets out to paint an unbiased picture of what happened before the end of apartheid and then followed in the ensuing years. The author lived in South Africa from 1952 until 2019 which qualifies him to make a personal assessment on where the country is headed. A keen student of SA politics over the years, he has sadly watched the country's regression since majority rule in 1994. The whole

world was inspired by what we saw in SA post-1994 when an air of euphoria prevailed. But, what is the true position there today and looking ahead? Read and find out.

The heroine in this actor's tour-de-force is an ordinary middle class English housewife. As she prepares egg and chips for dinner, she ruminates on her life and tells the wall about her husband, her children, her past, and an invitation from a girlfriend to join her on holiday in Greece to search for romance and adventure. Ultimately, Shirley does escape to Greece, has an "adventure" with a local fisherman and decides to stay. This hilariously engaging play was a hit in London and New York, performed by Pauline Collins, who later recreated her role on film garnering an Oscar nomination.

Essays and primary source documents dealing with African history and social conditions aid a critical analysis of the work.

Camus's landmark novel traces the aftermath of a shocking crime and the man whose fate is sealed with one rash and foolhardy act. *The Stranger* presents readers with a new kind of protagonist, a man unable to transcend the tedium and inherent absurdity of everyday existence in a world indifferent to the struggles and strivings of its human denizens. This addition to the Bloom's Guides series features an annotated bibliography and a listing of works by the author for further reading.

Paton's deeply moving story of Zulu pastor Stephen Kumalo and his son Absalom, set against the backdrop of a land and people riven by racial inequality and injustice, remains the most famous and important novel in South Africa's history. Published to coincide with the Miramax film release in December, starring James Earl Jones and Richard Harris.

A distinguished collection of short pieces and essays written by Alan Paton that testify to the mounting and explosive violence that has rocked the modern history of South Africa.

Presents a new translation of the Anglo-Saxon epic chronicling the heroic adventures of Beowulf, the Scandinavian warrior who saves his people from the ravages of the monster Grendel and Grendel's mother.
