In the sequel to The Man with the Golden Torc, Eddie Drood is forced to take on some nasty daemons from another dimension, who arrived in this world at the behest of the Drood family to help battle the Nazis during World War II and who have decided that they have no intention of leaving.

Data Collection Data Collection is the second of six books in the Measurement and Evaluation Series from Pfeiffer. The proven ROI Methodology--developed by the ROI Institute--provides a practical system for evaluation planning, data collection, data analysis, and reporting. All six books in the series offer the latest tools, most current research, and practical advice for measuring ROI in a variety of settings. Data Collection offers an effective process for collecting data that is essential to the implementation of the ROI Methodology. The authors outline the techniques, processes, and critical issues involved in successful data collection. The book examines the various methods of data collection, including questionnaires, interviews, focus groups, observation, action plans, performance contracts, and monitoring records. Written for evaluators, facilitators, analysts, designers, coordinators, and managers, Data Collection is a valuable guide for collecting data that are adequate in quantity and quality to produce a complete and credible analysis.

From the authors of the inspiring true story 90 Minutes in Heaven In 1989, Don Piper died in a car accident. Ninety minutes later, as a minister prayed over him, he returned to life-and remembered... For millions of readers around the world, Don Piper's account of his experience, 90 Minutes in Heaven, offers an inspirational, exciting, and fulfilling message of hope-and has become an international phenomenon. Now, he continues his message of hope and faith with a book of devotionals for all of those who want to experience the joy and contentment of his message every day. With ninety devotionals within, this unique collection directly addresses the everyday hardships we all endure, offering solace and guidance for all those who wish to lead happier, more virtuous lives.

Inside are the tools that will help you focus on the thoughts, attitudes, and deeds that will lead to the achievement of your true goals. In 365 short, powerful motivations, one for each day of the year, Dennis Kimbro, author of the popular THINK AND GROW RICH: A BLACK CHOICE, offers a treasure trove of practical inspiration that will give you fresh encouragement every day of the year. What it teaches you will last a lifetime.

A daily devotional draws from the author's best-selling book Love Your Life, a religious exploration into what it really means to be happy. By the author of 75,000 first printing.

The introduction of artificial intelligence, neural networks, and fuzzy logic into industry has given a new perspective to manufacturing processes in the U.S. and abroad. To help readers keep pace, this book addresses topics of intelligent manufacturing from a variety of theoretical, empirical, design, and implementation perspectives.

On the English Channel Island of Guernsey, Detective Inspector Ed Moretti and his new partner, Liz Falla, investigate vicious attacks on Epicure Films. The international production company is shooting a movie based on British bad-boy author Gilbert Ensor ' s bestselling novel about an Italian aristocratic family at the end of the Second World War, using fortifications from the German occupation of Guernsey as locations, and the manor house belonging to the expatriate Vannonis. When vandalism escalates into murder, Moretti must resist the attractions of Ensor ' s glamorous American wife, Sydney, consolidate his working relationship with Falla, and establish whether the murders on Guernsey go beyond the island. Why is the Marchesa Vannoni in Guernsey? What is the significance of the design that appears on the daggers used as murder weapons, as well as on the Vannoni family crest? And what role does the marchesas statuesque niece, Giulia, who runs the family business and is probably bisexual, really play?

Examines what daily life was like for ordinary people in the Soviet Union from 1917 to 1991, discussing government and law, the military, economy, class structure, housing, education, health care, the arts, religion, and other topics.

This book provides a general overview of the daily life in a vast empire which contained numerous ethnic, linguistic, and religious communities. • The extensive bibliography provides rich and diverse sources of further reading • An index provides quick reference to the individuals and places mentioned in the text

This comprehensive social history of the westward movement explores the details of everyday living on the American frontier.
