The Ruby Ring series never fail to amaze me. From its seemingly simple and redunctant storyline the author has created a world and characters so charismatic that it becomes evident that after the first two or three lines in to the book that you are not wasting your time with this venture.

No Comments on Eternal Destiny - Book 2 (The Ruby Ring Saga) By: Chrissy Peebles; Just like the first book, I read this one 4 years ago as well. I have to say that this one was my favorite. Y'all know I love the second or third book in a book series. I don't know why but to me, the second is always better.
