autophobia--the fear of oneself, discovers the shocking truth in the person of her therapist, the respected Dr. Ahriman.

A blizzard brings a city to a standstill and ushers in an evil that defies imagination in this gripping tale from #1 New York Times bestselling author Dean Koontz. Winter gripped the city. Terror gripped it, too. They found four corpses in four days, each more hideous than the last. At first the cops thought they were dealing with a psychopath. But soon they heard eerie sounds in the ventilation system—and saw unearthly silver eyes in the snow-slashed night. In a city paralyzed by a blizzard, something watches, something stalks...

Winner of the 2013 International Thriller Award for Best Young Adult Novel! Miranda wakes up alone on a park bench with no memory. In her panic, she releases a mysterious energy that incites pure terror in everyone around her—except Peter, a boy who isn't at all surprised by Miranda's shocking ability. Left with no choice but to trust this stranger, Miranda discovers she was trained to be a weapon and is part of an elite force of genetically-altered teens who possess flawless combat skills and powers strong enough to destroy a city. But adjusting to her old life isn't easy—especially with Noah, the boyfriend she can't remember loving. Then Miranda uncovers a dark truth that sets her team on the run. Suddenly her past doesn't seem to matter...when there may not be a future. Dan Krokos' debut, hailed as a "memorable thriller," (Booklist) is a tour-de-force of non-stop action that will leave readers begging for the next book in this bold and powerful new series.

should have made their living under the same roof a relatively straightforward affair. But, somehow, Piers couldn't stop her from stealing into his thoughts. He wasn't a man to act on impulse. He had managed to resist her—so far! And then one intimate night, business became steamy pleasure....

When Micky Bellsong meets Leilani Klonk, a disabled girl, and her stepfather, Preston Maddoc, she finally finds some purpose in her troubled life, but when the family disappears, she embarks on an arduous mission to find them.

Strange visions plague a man after he survives a near-death experience in this chilling thriller from #1 New York Times bestselling author Dean Koontz. Surviving a car accident on a snowy mountain road is miraculous for Lindsey Harrison, but even more so for her husband, Hatch, who was clinically dead for eighty minutes. After experimental procedures bring Hatch back to life, he awakens with the terrifying feeling that something is out there. But it soon becomes apparent that the evil stalking Hatch is within him—a dark force of murderous rage that hides within us all...

A group of seemingly unrelated people experiences sensations of numbing terror and fear and, groping their way toward one another, discover their sinister, shared secrets in a chilling climax that changes their lives forever. Reissue.

It all started with the bereavement flowers with my name on them. Not the best way to wake up, right? I work in a flower shop. I know a funeral arrangement when I see one. I know a killer when I see one, too. And one is standing in my hospital room right now, straight behind the man who saved my life. I can't tell anyone the truth, because that's the fastest way to really die. So I do the next best thing. I "lose" my memory. I

fake my amnesia. Pretending not to remember a brutal attempted murder has its perks. The killer is backing down, spending less time around me, loosening the noose. The less I claim to recall, the more my rescuer, Duff, works to help me “remember.” I hate lying to him. But he doesn’t understand that my memory is dangerous. To me. And to him. Fooling everyone isn’t easy. It’s the hardest thing I’ve ever done. Except it’s starting to look like I’ve been fooling myself. In more ways than one. Read Book 1 in the newest series from USA Today bestselling author Meli Raine. “The first book in the False trilogy is a psychological thriller worthy of Hitchcock, keeping you guessing until the very end. Lily Thornton is the ultimate unreliable narrator — after waking from a 14-month coma, she struggles to remember the day she was shot. As Lily slowly recovers, she’s terrified when she recognizes the face of her would-be killer among her inner circle — but can she trust her own memory? With potential enemies at every turn, a twisty political conspiracy, and just a hint of romance, False Memory offers thrills that will delight both romance and mystery readers.” — Apple Books Editors “...intrigue and dark humor on display in this thriller...” While the immediate—and more compelling—tension in Raine’s (A Shameless Little Bet, 2018, etc.) heart-pumping series opener comes from Lily’s constant proximity to her would-be killer, the action takes place against a backdrop of secret government scandals. Fortunately, Lily’s voice is captivating, wry, and tough enough to sell this thriller. The novel ends with a cliffhanger that startles, if only because readers will have become so attached to Lily. — Kirkus Reviews Praise for Meli Raine’s books: “Fresh, riveting, and thrumming with emotion and romantic suspense, False Memory is absolutely unputdownable. You need this book!” - New York Times bestselling author Meghan March “I accidentally lost a day to this trilogy! It is unputdownable. Apparently I’m on a dark-and-

bestselling author Sarina Bowen (Harmless series)
