Overview. First published in 1998, *Following Through* shines a spotlight into the black hole in inner space where good intentions disappear. It reveals the startling reason why we so often fail to make the life-improving changes we truly intend to make. Although we typically blame ourselves for poor follow through -- we beat ourselves up for lacking motivation, willpower, self-discipline -- Levinson and Greider argue that the real culprit is the mixed-up way the human mind designed.

~~Following Through: A Revolutionary New Model for Finishing ...~~

In *Following Through: A Revolutionary New Model for Finishing Whatever You Start* by Steve Levinson and Pete Greider, the authors propose that we have two guidance systems: the Primitive Guidance System and the Intelligence-Based Guidance System. Each of these systems pulls us in different directions like a car with two steering wheels.

The American Revolutionary War was fought from 1775 to 1783. It was also known as the American War of Independence. The Revolutionary War began with the confrontation between British troops and local militia at Lexington and Concord, Massachusetts, on 19 April 1775. Throughout the war, state troops and local militias supplemented the Continental (Federal) Army.
