Instead of covering all aspects of Finnish language, From Start to Finnish will serve as a handy survival kit for everyday situations, such as asking questions and responding to them, exchanging small talk face-to-face with real Finns, being polite - or less polite if need be.

Provides users with the linguistic tools to immediate communication on an elementary level, whether one's goals are travel, business, or further study of the language. Each lesson consists of a dialogue that gives a taste of everyday Finnish conversation and life in Finland, vocabulary that introduces basic words, idioms that present commonly used phrases, grammars that explains the structure of the language and how to use them, and exercises to test understanding and active language skills.

It is now time to break down the ideology of exceptionalism in the United States and other Anglo-American nations if we are to develop reforms that will truly inspire our teachers to improve learning for all our students!(especially those who struggle the most. In that essential quest, Pasi Sahlberg is undoubtedly one of the very best teachers of all.)^oFrom the Foreword by Andy Hargreaves, Lynch School of Education, Boston College Finnish Lessons is a first-hand, comprehensive account of how Finland built a world-class education system during the past three decades. The author traces the evolution of education policies in Finland and highlights how they differ from the United States and other industrialized countries. He shows how rather than relying on competition, choice, and external testing of students, education reforms in Finland focus on professionalizing teachers' work, developing instructional leadership in schools, and enhancing trust in teachers and schools. This book details the complexity of educational change and encourages educators and policymakers to develop effective solutions for their own districts and schools.

This thoroughly revised third edition of Finnish: An Essential Grammar is grounded in fundamental insights of modern linguistics and incorporates some of the latest achievements in the description of written and spoken Finnish. It gives a systematic account of the structures of the written language and offers increased attention to the key characteristics of present-day colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features of this new edition include: ^o pronunciation guide, including the tendencies in present-day colloquial Finnish ^o thorough descriptions of morphology (word structure) and syntax (sentence structure) ^o clear rules and an abundance of concrete examples, from both written and colloquial Finnish ^o updated vocabulary in the examples ^o an effective new scheme for detecting the morphological structure of any word form ^o subject index. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.

The book consists of Elementary and Pre-intermediate courses with parallel Finnish-English texts. The author maintains learners' motivation with funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Elementary course have only about 30 new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Complete Finnish is a comprehensive book and audio language course that takes you from beginner to intermediate level. The new edition of this successful course has been fully revised and is packed with new learning features to give you the language, practice and skills to communicate with confidence. - Maps from A1 to B2 of the Common European Framework of Reference (CEFR) for languages - 18 learning units plus grammar and word glossaries - Discovery Method - figure out rules and patterns to make the language stick - Teaches the key skills - reading, writing, listening and speaking - Learn to learn - tips and skills on how to be a better language learner - Culture notes - learn about the people and places of Finland - Outcomes-based learning - focus your studies with clear aims - Authentic listening activities - everyday conversations give you a flavour of real spoken Finnish - Test Yourself - see and track your own progress In this pack you'll get a 448-page book and two CDs of audio learning material (160 minutes). Rely on Teach Yourself, trusted by language learners for over 75 years.

This second edition of Finnish: An Essential Grammar has undergone profound revisions. The chapter on basic sentence structure has been rewritten and syntax has been given more space. Sections have been added on phrase types, simple clause types, and types of complex sentences. A section on discourse particles has been added. The vocabulary of the copious example sentences has been updated to give it a touch of the twenty-first century. The section on modern colloquial Finnish has been considerably expanded. Internet addresses helpful for any learner of Finnish are provided which make it possible to automatically analyse the grammatical structure of any Finnish words and sentences. It gives not only a systematic account of the structures of the written language, but also features the characteristics of colloquial Finnish. No prior knowledge is assumed on the part of the reader and grammatical rules are clearly explained without jargon. Features include: pronunciation guide, including the tendencies in present-day colloquial Finnish thorough descriptions of morphology (word structure) and syntax (sentence structure) clear rules and an abundance of concrete examples inflection tables subject index internet addresses to online software for grammatical analysis of Finnish. This is the ideal reference source both for those studying Finnish independently and for students in schools, colleges, universities and adult classes of all types.
