This essential survey of Italian Radical design, a movement that interrogated modern living against the turbulent political climate of the 1960s, is lavishly illustrated with new photography, including rarely seen prototypes and limited-production pieces.

This volume offers an insight into the lives and works of the most influential designers of this era in one complete guide. Some of the designers included are Kenji Ejuan, frogdesign, Sori Yanagi and Herman Zapf.

Obra que analiza las biografias de los arquitectos más importantes del siglo XX así como sus obras principales, los estudios, las revistas, etc., en más de 220 artículos ilustrados con 2700 fotografías.
