The green light, located across the bay on Daisy's dock, is the focus of Gatsby's frequent staring. The light is connected to several key themes in the novel: love (Gatsby's romanticized obsession with Daisy), wealth and social class (the distance between Daisy's old-money neighborhood and Gatsby's new-money neighborhood), and idealism (Gatsby's tendency to idealize people and ideas).

*The Great Gatsby* (1925) is a novel by F. Scott Fitzgerald. Published at the height of Fitzgerald's career as a leading writer of American fiction, *The Great Gatsby* was reviewed poorly by contemporary critics, but has since been recognized as a groundbreaking work for its vision of American decadence and decay. Adapted into several influential films and adored by generations of readers and writers, *The Great Gatsby* is not only Fitzgerald's crowning achievement, but one of the finest novels ever written. Nick Carraway is a young veteran and Yale graduate who moves to New York in search of work. He rents a bungalow on Long Island next door to the extravagant mansion of Jay Gatsby, a magnanimous millionaire with a mysterious past. There, he reconnects with his distant cousin Daisy and her husband Tom Buchanan, a flagrant philanderer who brings Nick to the city in order to spend time with Myrtle, his impoverished mistress. Soon, he receives an invitation to a party at the Gatsby mansion, where he gets terribly drunk and meets his neighbor, who swears they served together in the Great War. As time goes by, the two begin a tenuous friendship bolstered by stories of the war and a mutual fondness for alcohol. When Nick discovers that Gatsby and Daisy have a complicated history with one another, he starts to question not only the nature of his neighbor's kindness, but his own desire to make it big in New York. *The Great Gatsby* is a tragic tale of ambition and romance set in the Roaring Twenties, a decade born from war and lost to economic disaster. With a beautifully designed cover and professionally typeset manuscript, this new edition of F. Scott Fitzgerald's *The Great Gatsby* is a classic work of American literature reimagined for modern readers.

ENGLISH LANGUAGE ENGLISH LITERATURE Grace Freedson, Series Editor An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style Each year, more than one million U.S. high school students take one or more advanced placement (AP) exams, and, according to official projections, that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges. They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, *Five Steps to a 5 on the Advanced Placement Examinations* guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five-Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student there is a "Month-by-Month" approach that follows the school year and a "Calendar Countdown" approach that begins with the new year. For students who leave studying to the last minute "Basic Training" covers the basics in just four weeks. Other outstanding features include: Sample tests that closely simulate real exams Review material based on the contents of the most recent tests Icons highlighting important facts, vocabulary, and frequently-asked questions Boxed quotes offering advice from students who have aced the exams and from AP teachers and college professors Websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions Authors who are either AP course instructors or exam developers

Score your highest on exam day Relax. The fact that you're even considering taking the AP English Literature & Composition exam means you're smart, hard-working, and ambitious. All you need is to get up to speed on the exam's topics and themes and take a couple of practice tests to get comfortable with its question formats and time limits.
