~~Parts & Accessories~~

From humble

beginnings in 1967,

JIMS® has grown into

one of the industry

leaders producing

# Access Free Harley Engine

Performance parts, accessories, tools, transmissions, and high-performance engines all aimed at enhancing the Harley rider's experience.

Originally, Jim Thiessen worked as a machinist with the aerospace industry. As bikes were brought to the shop in the early days for repairs

# Access Free Harley Engine

and mechanical

problems, customers would come to Jim looking for hard to find parts, or higher quality American made parts.
