The X300 series represented the result of a £200 million facilities renewal program by Ford. The program introduced state-of-the-art automated body welding robots manufactured by Nissan, and was intended to show the future direction of the British auto industry. To honour Jaguar's achievements, Queen Elizabeth II visited the Browns Lane factory in December 1994, and ordered a British Racing Green X305 Daimler Double Six for her personal use.

MN, with the older X300 cars the service routine basically started again as if from new. 60K was the big one. No idea about your X350. How much warranty is left on yours now? Time to think about changing that gearbox oil if you are going to keep it, we talked about that when you were up here. There is no such thing as sealed for life!
