A Warning from the Publisher:
Many readers have questions about Lemony Snicket, author of the distressing serial concerning the trials of the charming but unlucky Baudelaire orphans, published under the collective title A Series of Unfortunate Events. Before purchasing, borrowing, or stealing this book, you should be aware that it contains the answers to some of those questions, such as the following: 1. Who is Lemony? 2. Is there a secret organization I should know about? 3. Why does Lemony Snicket spend his time researching and writing

distressing books concerning the Baudelaire orphans? 4. Why do all of Lemony Snicket's books contain a sad dedication to a woman named Beatrice? 5. If there's nothing out there, what was that noise? Our advice to you is that you find a book that answers less upsetting questions than this one. Perhaps your librarian, bookseller, or parole officer can recommend a book that answers the question, "Aren't ponies adorable?"

In a fading town, far from anyone he knew or trusted, a young Lemony Snicket began his apprenticeship in an organization nobody knows about. He started by asking questions that shouldn't have been on his mind. Now he

Looking for wit, wisdom, and inspiration all within the pages of one useful book? Read Something Else. Life is a turbulent journey, fraught with confusion, heartbreak, and inconvenience. This collection of wit and wisdom from New York Times bestselling author Lemony Snicket is unlikely to help. It includes a new introduction filled with curious aphorisms, a handful of never-before-seen-or-heard quotations, and fan favorites from works over the years. These dubious offerings, collected from Snicket's books, unpublished papers, and

Collects an array of disheartening truths and unhappy observations drawn from the author's work, including "siblings who claim to get along all the time are most definitely hiding something."

I should have asked the question "How could someone who was missing be in two places at once?" Instead, I asked the wrong question -- four wrong questions, more or less. This is the account of the second. In the fading town of Stain'd-by-the-Sea, young apprentice Lemony Snicket has a new case to solve when he and his chaperone are hired to find a
