A word of advice? Always expect the unexpected, and never stop trying for the best. Whether you're an A-grade student or an average one, it's never too late - nor too early - to reflect on and start working towards your dreams. The New Year is looming in the distance as well, now; why not, this time around, skip past the cliché resolutions and instead aim to build yourself? To build yourself wherein you are a force to be reckoned with. Where no hurdles will scathe you, no frenemy will bring you down. Because whether you're 17 or 20 or 25 or even 30, there's always, always room to grow. To be better, to do better. And what a better moment to do so than at this current moment in time? At this moment in time where you are potentially deciding on the rest of your lives?

The Successful Law Student: An Insider's Guide to Studying Law is the ultimate companion for all prospective and current law students. Packed full of insights, advice and perspectives from current and past law students it is the only student guide to offer you the inside track on how to make the most of your law degree and your time at university.The Successful Law Student: An Insider's Guide to Studying Law is perfect for you whether you're taking a one-, two-, three- or four-year degree course or planning to take a year abroad, whether you're a full-time, part-time, or mature student. or whether you'll be balancing your studies with work or other commitments. The focus is on the things that will make a big difference to your student experience, including making a smooth transition to university level study, getting the most out of lectures and feedback from tutors, advice on how to approach law exams, and finding a rewarding career.Complemented by a variety of insider voices from students and alumni, which add valuable context and real-life insight, Imogen Moore and Craig Newbery-Jones use their extensive experience as law teachers to explore the learning process and look beyond it to consider the wider definition of success, and help you manage the pressures of legal study.
