Demystified is your vaccine for tricky subjects like microbiology If you don't know your prokaryotes from your protozoa, or learning about fungi puts you in a funk, look no further--Microbiology Demystified, Second Edition is your cure for learning this topic's fundamental concepts and theories at your own pace. This practical guide eases you into this field of science, starting at the cell level. As you progress, you will master microbiology essentials such as bacteria, algae, viruses, pasteurization, and more. You will understand the difference between friendly and unfriendly microorganisms as well as the microscope's role in shaping microbiology. Detailed examples make it easy to understand the material, and end-of-chapter quizzes and a final exam help reinforce key ideas. It's a no-brainer! You'll learn about: Classification of microorganisms Immunology Germ theory Recombinant DNA technology Pathogens E.coli Antiseptics Simple enough for a beginner, but challenging enough for an advanced student, Microbiology Demystified, Second Edition, helps you master this essential subject.

This 13th edition has been revised and updated to offer economics students an introduction to economics and its core principles. New case studies and themed boxed examples, in-depth explanations and an expanded online resource centre will help students progress with their studies.

This self-contained volume explains perturbation techniques by means of solved problems. Ideal for self-study, it provides 360 solved problems and an almost equal number of supplementary problems.

Thirty-three years of teaching Scripture and theology to undergraduates has given Marielle Frigge great insight into the needs of biblical study students and teachers. Unlike any other text on the market, this book does not assume familiarity with the contents or origins of the Bible or with the Bible's major events, characters, and themes. Beginning Biblical Studies, Revised Edition paints in broad strokes to provide readers sufficient context for reading and understanding the Bible. Revisions to Frigge's original text include fuller treatment of Jewish, Orthodox, and Protestant perspectives, updates for the most recent scholarship, a new appendix on archaeology and the Bible, plus more photographs, sidebars, and recommended resources, as well as revised appendices, time lines, and maps.

Sisterhood Forever Lush, exclusive Spyder Island is home to many of the world's billionaires. Years ago, Gretchen Spyder, daughter of the island's namesake, gave her twin babies up for legal adoption. Now Gretchen and her father are trying to get them back. The twins' adoptive parents are a loving but poor couple, completely outgunned by the Spydere's wealth. Their only hope lies with Myra Rutledge and her formidable Sisterhood, who are as ready as ever to fight the good fight. But nestled among the lavish mansions and immaculate landscaping of Spyder Island is a sinister enemy. And in a case that's far more twisted than it first appeared, the ingenuity, courage, and friendship of the Sisterhood will be tested as never before. Praise for Fern Michaels and her Sisterhood novels. . . "Readers will enjoy seeing what happens when well-funded, very angry women take the law into their own hands." --Booklist on Weekend Warriors "Delectable. . .Revenge that's creatively swift and sweet, Michaels-style." --Publishers Weekly on Hokus Pokus

Written with the same graceful narrative voice that made his bestselling National Book Award finalist The Big House such a success, George Howe Colt's November of the Soul is a compassionate, compelling, thought-provoking, and exhaustive investigation into the subject of suicide. Drawing on hundreds of in-depth interviews and a fascinating survey of current knowledge, Colt provides moving case studies to offer insight into all aspects of suicide -- its cultural history, the latest biological and psychological research, the possibilities of prevention, the complexities of the right-to-die movement, and the effects on suicide's survivors. Presented with deep compassion and humanity, November of the Soul is an invaluable contribution not only to our understanding of suicide but also of the human condition.

Empath Echo Branson had finally found a home in the bayou, until a hurricane swept it away and left something hungry in its place.

What's your worst nightmare? For Ivy Jensen, it's the eyes of a killer that haunt her nights. For Parker Bradley, it's bloodthirsty sea serpents that slither in his dreams. And for seven essay contestants, it's their worst nightmares that win them an exclusive, behind-the-scenes look at director Justin Blake's latest, confidential project . Ivy doesn't even like scary movies, but she's ready to face her real-world fears. Parker's sympathetic words and perfect smile help keep her spirits up. . . at least for now. Not everyone is so charming, though. Horror-film fanatic Garth Vader wants to stir up trouble. It's bad enough he has to stay in the middle of nowhere with this group,the girl who locks herself in her room; the know-it-all roommate; "Mister Sensitive"; and the one who's too cheery for her own good. Someone has to make things interesting. Except, things are already a little weird. The hostess is a serial-killer look-alike, the dream-stealing Nightmare Elf is lurking about, and the seventh member of the group is missing. By the time Ivy and Parker realize what's really at stake, it's too late to wake up and run.
