primary sources, selected for how they illustrate major developments in the rise of sport, and often, for how they illuminate the accompanying essays. They include government reports, court cases, contemporary newspaper articles, diary entries, and advertisements for athletic equipment. The essays were chosen to cover broadly the field of sport history, based on the particular significance of each essay to our understanding of sport history as well as the quality of the writing, research, and analysis. Introductions and headnotes for the readings provide context to help students better understand the material. Important Notice: Media content referenced within the product

description or the product text may not be available in the ebook version.

MAJOR PROBLEMS IN AMERICAN POPULAR CULTURE follows the highly successful Major Problems format. Each chapter comprises essays and documents that focus on a particular aspect of American popular culture. These essays and documents will prompt students to think about the centrality of popular culture in American life and its powerful role in forging identity, historical memory, and relationships among consumers, producers, citizens,

# Read Book Major Problems In American Sport History

and the state. They reinforce the idea that popular culture is the ground on which cultural and social transformations are worked. Race and class are at the center of the analysis, and these categories, along with gender and nationalism, thread through the chapters. They all argue for seeing popular audiences as active creators rather than passive receivers of popular culture.
