I've never, never had a
problem with my Maytag 3000
series. Have had for more
than 10 years now. Has
lasted through raising 3
active boys, 1 messy little
girl, and a construction
working husband. Manually
wipe it out occasionally,
use Afresh tablets
occasionally as well.

of life which had almost completely disappeared by the middle of the twentieth century. He describes the life of shepherds, their families and children and the hardships that were commonplace in the first part of the last century. He recalls his schooldays at the Tweedsmuir school and poignant memories of the First World War, the arrival of the gramophone and the fund-raising dances. Old methods of fishing and peat digging are included as are descriptions of the natural life of the area. The reader is introduced to people, places and events which combine to provide a unique
