Everybody knows Marjorie Grene. In part, this is because she is a presence: her vividness, her energy, her acute intelligence, her critical edge, her quick humor, her love of talking, her passion for philosophy - all combine to make her inevitable. Marjorie Grene cannot be missed or overlooked or undervalued. She

Everybody seems to want a late model 560SL. Why not an early 450SL for half the money? The joy and pride of ownership is the same, trust me. Or how about one of the former longtime underdogs, an SLC? Also they start to appreciate, a few of them even very fast,

faster than a mint 560SL. If any of this is of interest, then this new book (published already earlier as e-book) is for you. It does not only deal with development and history, it also comes with a comprehensive buyer's guide for both the SL and SLC. This includes a look at their price development over the past years.
