Make adorable crochet dolls with over fifty unique patterns for clothes and accessories. With a range of clothing and accessory patterns, dress up your doll for home and abroad, from basic underwear and shoes to dresses, dungarees, sweaters, coats, and hats. As well as wardrobe essentials, you can create accessories to match each outfit, including a teddy for bedtime, a bucket for the beach, cakes for the kitchen, and even a penguin for the North Pole! There ' s a range of dressing-up costumes, with an adorable bear suit and a fun superhero mask and cape. The cute mini suitcase pattern is the perfect for storing all of your dolls belongings and it doubles up as a bed too! Be aware that crochet terms in the United States are different from those in the U.K. This can be confusing as the same terms are used to refer to different stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with “ sc ” in them can be identified as American patterns.

Offers crochet instructions for making a crochet doll and making clothing and accessories for the doll, including a teddy bear, superhero outfit, and pajamas.

The first pattern book for making unique, customizable African American crochet dolls From American Girl Dolls to Barbie, there's something special about having your own doll, and even more so, having a doll that looks like you. And it ' s not just about clothing; having a doll that has eyes, skin tone, and even a hairstyle to match your own is a thrill. For African American girls, this isn't the norm nor is it easy to find. Created by Yolanda Jordan, My Pretty Brown Doll offers patterns and crochet techniques to create this charming crochet doll, with skin tone, hairstyle, eyes, and outfits that

are customizable to match the young person this gift is for. Jordan 's unique aesthetic will appeal to a wide variety of crocheters, and there are endless possibilities to make this doll unique. The book covers a basic wardrobe, including pants, shirts, shoes, coats, a hat, and a scarf. But then Jordan dives into specific adventures like going to school and playing soccer, dancing ballet and traveling to Paris. There's even a mermaid and a scientist outfit, complete with lab coat. Offering African American girls the chance to have their own doll, who looks like them and can be outfitted exactly the way they want, is a gift unlike any other. It's a wonderful opportunity to deliver something special to an underserved market.

Design your own dolls with this amazing book of mix-and-match crochet patterns. Building up from the basic body, add hairstyles, hats, outfits and accessories to capture your family, friends and favourite people in crochet form. The flippable pages make it easy to follow the patterns in any combination. You could make a countless number of different dolls, or you could make one doll with an extraordinary wardrobe. The book has two flip sections: First choose who you want to make with the top ' head ' flip – you could make your mum, grandad, sister, best friend, favourite actor or pop star – or even yourself! Next choose what they are going to be with the bottom ' outfit ' flip – with costumes for an astronaut and a princess, a ballerina and a footballer, a mermaid and a pirate, a surgeon, a punk and more. With step-by-step instructions for all the basic crochet techniques that are needed, this is perfect for beginners. In addition to the flip pattern pages, there are 12 pages of colour photography showing how easy it is to combine the different flip costumes with the additional hats, clothing and hairstyles to make impressive
