Supported by exciting, authentic video, Fusion is a one-semester intermediate Spanish program that connects the study of intermediate Spanish to students' real lives, connecting language to culture, and making the transition from first-year Spanish to a true intermediate program. Intermediate programs typically repeat elementary Spanish grammar sequencing from the present tense forward. Consequently, students progress to advanced levels without a thorough understanding of

the indicative and subjunctive moods and without a concrete grounding in the forms and usage of certain tenses, especially the preterit and the imperfect. Fusion reviews the preterit and the imperfect in first chapter, which equips students to shift back and forth naturally between the present and the past as they speak, read, and write throughout the course. It goes on to review the present subjunctive early in the course and encourages students to use the subjunctive mood alongside the indicative throughout the program, refining their understanding of both the concept and usage of mood, essential to Spanish. 0133792285 / 9780133792287 Fusion: Comunicacion y Cultura plus MySpanish Lab with Pearson eText---Access card Package (one semester access) Package consists of: 0133777545 / 9780133777543 Fusion: Comunicacion y cultura 0133778169 / 9780133778168 MySpanishLab with Pearson eText -- Access Card -- for Fusion (one semester access)

Designed with you in mind The ¡Anda! program is based on the National Foreign Language Standards. The five organizing principles (the 5C's) of the Standards for language teaching and learning are at the core of ¡Anda!: Communication, Cultures, Connections, Comparisons, and Communities. Each chapter opener identifies for the instructor where and in what capacity each of the 5C's are addressed. Teaching and Learning Experience The ¡Anda! program provides practical responses to the challenges today's Spanish instructors are facing. Its innovations center around three key areas: -Realistic goals with a realistic approach -Focus on student motivation -Tools to promote success The Books à la Carte Edition is an unbound, three-hole punched version of the textbook and provides students with the opportunity to personalize their book by incorporating their own notes and taking only the portion of the book they need to class - all at an affordable price. This third edition of this text presents the major grammatical contrasts between English and Spanish in a simple and direct manner that is ideal for teachers of either language. This book addresses difficult grammatical topics for the English speaker, such as the question of aspect (preterit/imperfect) and the Spanish indicative/subjunctive; the English modal auxiliary system; and other challenging topics for the Spanish speaker. This reworked and expanded edition presents a complete inventory of all the major inter-lingual contrasts, emphasizing those contrasts that pose difficulties for teachers and students alike. The text features numerous exercises and, new with this edition, an extensive glossary of grammatical terms. Instructors now face many challenges: Decreased classroom contact hours, increased instructor and student workloads, larger class sizes, new course models like hybrid and fully online and more ambitious classroom goals including focusing on practical communication and culture awareness instead of grammar alone. The iAnda! program offers a true solution for instructors by delivering realistic goals with a realistic approach; focusing on student motivation and offering a variety of tools to promote success. Teaching and Learning Experience Realistic and Balanced Approach - Instructors and students don't have to rush through the entire scope of Spanish grammar in 2 semesters. They can focus on practical communication which helps students feel more motivated and successful in the course. Explore Grammar - Grammar is chunked to allow students to assimilate and practice without feeling overwhelmed. Explanations are clear and concise and include many supporting examples followed by practice activities. Build Vocabulary - Each chapter contains a realistic number of new vocabulary words and like grammar, is presented in chunks at the point of need. Develop Skills - Unique reading and video storyline mystery motivates students to read. Dedicated speaking, listening and writing sections provide strategies and the process necessary to effectively develop skills in the target language. Connect with Culture - Both "high" and "popular" culture are woven throughout the chapters to enable students to learn to recognize and appreciate cultural diversity as they explore behaviors and values of the Spanish-speaking world. They are encouraged to think critically about these cultural practices and gifts to society. Personalize Learning - MySpanishLab's proven results will be available for fall 2012 courses. years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: “This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one.” Praise for Enrique’s Journey “Magnificent . . . Enrique’s Journey is about love. It’s about family. It’s about home.”—The Washington Post Book World “[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking.”—People (four stars) “Stunning . . . As an adventure narrative alone, Enrique’s Journey is a worthy read. . . . Nazario’s impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one.”—Entertainment Weekly “Gripping and harrowing . . . a story begging to be told.”—The Christian Science Monitor “[A] prodigious feat of reporting . . .
