Talk:Nathaniel Hawthorne - Wikipedia

John Charles Middleton "of Weybridge" is the description of the brother (1755-1826 AFAIK) of Nathaniel, given in the Rugby School entry for Frederick Graeme Middleton (d:Q102440775), in Rugby School Register: From April 1675 to April 1842 (1901). That is enough to conclude that the heraldic source has slipped up here.

On a cold spring night in 1952, a huge meteorite fell to earth and obliterated much of the east coast of the United States, including Washington D.C. The ensuing climate cataclysm will soon render the earth inhospitable for humanity, as the last such meteorite did for the dinosaurs. This looming threat calls for a radically accelerated effort to colonize space, and requires a much larger share of humanity to take part in the process. Elma York's experience as a WASP pilot and mathematician earns her a place in

the International Aerospace Coalition's attempts to put man on the moon, as a calculator. But with so many skilled and experienced women pilots and scientists involved with the program, it doesn't take long before Elma begins to wonder why they can't go into space, too. Elma's drive to become the first Lady Astronaut is so strong that even the most dearly held conventions of society may not stand a chance against her. THE SPIRITUAL TRIAL OF NATHANIEL

HOLLANDSWORTH is a supernatural story that deals with spiritual warfare. The concept is based from the book of Job within the Bible. A God fearing lawyer is being tested at the request of Lucifer. God grants the permission only under two terms; Lucifer may attempt to take everything, but on the man himself he cannot lay a finger; if Nathaniel requests divine help, the angels of heaven will intervene. Of course Lucifer decides to pursue his own agenda. But it will not stand against God or the power of Prayer.
