illustrated book includes exercises for the following word families: ace, ade, ake, ame, ate, ave, ail, ain, eam, eat, ee, eed, eep, eet, ice, ide, ime, ine, ite, oat, oke, ore, ose. Each of the 45 unique activities in this book is designed to teach a different word family - from a balloon image puzzle designed to create eam family words to a color-the-kite exercise for releasing ite family words. An extensive word list containing all the phonograms taught in this book is included for use with extended learning. Consider using the words for a spelling list, sentence dictation, and "thought starters" for creative writing.

**\*\*This is the chapter slice "Cloze" from the full lesson plan "Word Families: Long Vowels"\*\*. Increase vocabulary, sight word recognition and comprehension as you help your students identify the correct pronunciation of long vowel phonograms (word families) using real life pictures as an aid. We also highlight the Dolch high frequency words which encourage beginning reading skills. As students begin to read and understand more about the onset and rhyme connection found in word families, they will begin to think of words as not only a series of individual letters and sounds, but as easily recognizable segments or chunks of language. Reproducible worksheets include, rhyming, writing, poetry, cloze sentences, riddles and chunking. All of our content meets the Common Core State Standards and are written to Bloom's Taxonomy.**
