Ozu's films have repeatedly changed my outlook on life. Particularly, the three masterpieces also known as the "Noriko trilogy," which he directed in the early 1950's. All three of the films, " Late Spring, " "Early Summer," and " Tokyo Story ," had a profound effect on me at key moments of my life.

Transcending Life on This Planet: The Films of Yasuji? Ozu

Yasuji? Ozu (?? ???, Ozu Yasuji?, 12 December 1903 – 12 December 1963) was a Japanese film director and screenwriter. He began his career during the era of silent films, and his last films were made in colour in the early 1960s. Ozu first made a number of short comedies, before turning to more serious themes in the 1930s.

Yasuji? Ozu - Wikipedia

Ozu (1903-1963) made 54 films. Of those, 33 survive, and 24 will be shown during a retrospective running this weekend through March 3 at the Gene Siskel Film Center. Restored and in some cases newly subtitled, they are a treasure. Most of Ozu's films are not yet available on video, and many of these titles have never been seen theatrically in Chicago.

Despite his focus on the family, Ozu never married, living his adult life with his mother who died but a few years before he himself succumbed to cancer on his 60th birthday on 12 December 1963. Unsurprising, perhaps, that his final film is a meditation on the loneliness of ageing. For all that, it's a remarkably upbeat one, with Chishu Ryu returning as the widower who, treated like a child by his own stony-faced offspring, spends most of his out-of-office hours drinking with his former ...

He was working at the same time as Welles and Curtiz, making movies that were just as important —movies about life, death, family, and marriage that were serene, melodic celebrations of nature and humanity that unfold slowly—a cinematic style that helped turn Ozu into a legend in film. His film Late Spring falls perfectly into all of these topics. It's about a woman reluctantly choosing to get married because she thinks it's what her father wants.
