Filled with more than 350 images from National Geographic, *100 Dives of a Lifetime* provides the ultimate bucket list for ardent scuba divers and aspirational travelers alike. From diving with manta rays at night in Kona, Hawaii, and swimming with hammerheads of Cocos Island in Costa Rica to exploring caves in Belize's Lighthouse Atoll and diving beneath the ice floes of Antarctica, this exquisite inspirational book is filled with beautiful imagery, marine life guides, trusted travel tips, and expert diving advice from world-famous National Geographic divers and explorers like Brian Skerry, Jessica Cramp, and David Doubilet. Organized by diving experience and certification level, each location offers a once-in-a-lifetime opportunity to explore the magic of our world's oceans—from your armchair or with your scuba gear in tow.

From author Kia Abdullah, *Take It Back* is a harrowing and twisting courtroom thriller that keeps you guessing until the last page is turned. One victim. Four accused. Who is telling the truth? Zara Kaleel, one of London's brightest legal minds, shattered the expectations placed on her by her family and forged a brilliant legal career. But her decisions came at a high cost, and now, battling her own demons, she has exchanged her high profile career for a job at a sexual assault center, helping victims who need her the most. Victims like Jodie Wolfe. When Jodie, a sixteen-year-old girl with facial deformities, accuses four boys in her class of an unthinkable crime, the community is torn apart. After all, these four teenage defendants are from hard-working immigrant families and they all have proven alibis. Even Jodie's best friend doesn't believe her. But Zara does!and she is determined to fight for Jodie:to find the truth in the face of public outcry. And as issues of sex, race and social justice collide, the most explosive criminal trial of the year builds to a shocking conclusion.

Basic instructions in deep sea diving, presented in fifteen different languages.

If you're considering learning to scuba dive, then Scuba Diving: a short guide to open water training, is the book for you. This book cuts through all the jargon and clears away the confusing information that you find when searching for scuba diving courses online. It gets straight to the point. It assumes no prior knowledge of diving and covers everything you need to consider before taking the first level of diver training- an open water course. It's easy to read and the information will be invaluable in helping you to choose the right kind of scuba training for your needs.You will learn how the major scuba diving training agencies like PADI and SSI run a course, how their open water courses differ, and how this will impact you. You will also understand the pros and cons of training part-time or full-time, and be armed with the right information to be able to choose a reputable dive center. This guide will be a handy reference when talking to prospective dive centers and particularly useful if you are thinking of learning to dive when traveling around Asia, specifically in places like Thailand or Indonesia.Information is provided on:- Reasons for learning scuba diving- Description of what scuba diving is- Requirements to be able to learn to dive- An overall view of the risks of scuba diving- What scuba qualifications are available to beginners- What a try dive is- What an open water course allows you to do- What a scuba diver certification allows you to do- Diving certifications for children- Costs of training- Medical requirements- What to do if you have anxiety- Duration of courses- Considerations for training part-time or full-time - The pros and cons of each method- Who gives you your diving certification- An outline of the differences between dive training providers- The reality of the differences between training providers- A breakdown of what's taught during a course- Choosing a scuba instructor- Questions to ask prospective instructors- Advice on choosing a dive center- A breakdown of scuba equipment- The limits of your diving certification- What to do if you don't dive for a long time- How to improve your diving after certification- What further scuba training is available- Considerations for cold water diving- Other types of diving- Useful linksFor more information on this, and other scuba diving books by Richard, visit his website at <https://richarddevanney.com>Richard Devanney is a full-time dive instructor currently based in Bali, Indonesia. He previously managed dive centers in Iceland, Thailand, and Micronesia, and is qualified to teach divers with 6 dive training agencies. He also teaches technical diving through 4 technical diving agencies. When not teaching, he enjoys rebreather diving, cave diving, and wreck diving. He writes articles for a dive training agency (Technical Diving International), and previously wrote articles for an online scuba diving magazine- Scuba Diver Life.You can read his articles here: <https://www.tdsi.com/authors/richard-devanney/><https://scubadiverlife.com/author/richard/> He also owns and manages a website that provides information for technical divers: <https://bluep2odiving.com/>
