~~Fully Automatic Bread Maker | SD 2511W |
Panasonic UK ...~~

Read reviews, bought the Panasonic SD253 from Amazon. I am hooked!. The machine makes excellent bread from recipe or purchased mixes. The instruction book is great. The hints (use rapid for bread mixes) was a simple but important hint. A simple "plug it in and go" manual would not have this. This just shows that Panasonic has put in time and effort to help people use the machine.
