For three years, Kate Marshall has been grieving the loss of her husband and their four-year-old son in a boating accident. But when she spots a familiar-looking child on an escalator in the mall, she is convinced it is the son she thought was dead. With police skeptical of her story, she turns to private investigator Connor Sullivan. The former Secret Service agent is dubious but agrees to investigate. Digging into the case he discovers that the incident may have been no accident at all. But if Kate's son is alive, someone is intent on keeping him hidden--and may be willing to go to lethal lengths to protect a sinister secret. As Irene Hannon's many fans have come to expect, *Deceived* is filled with complex characters, unexpected twists, and a riveting plot line that accelerates to an explosive finish.

Reporter Moira Harrisons is lost. In the dark. In a thunderstorm. When a confusing detour places her on a rural, wooded road, she's startled by the sudden appearance of a lone figure caught in the beam of her headlights. Though Moira jams on her brakes, the car careens across the wet pavement--and the solid thump against the side of the

Download Ebook Private Justice

vehicle tells her she hit the person before she crashes into a tree on the far side of the road. A dazed Moira is relieved when a man opens her door, tells her he saw everything, and promises to call 911. Then everything fades to black. When she comes to an hour later, she is alone. No man. No 911. No injured person lying on the side of the road. But she can't forget the look of terror she saw on the person's face in the instant before her headlights swung away. The person she hit had been in trouble. She's sure of it. But she can't get anyone to believe her story--except a handsome former police detective, now a private eye, who agrees to take on the case. From the very first page, readers will be hooked into this fast-paced story full of shocking secrets from fan-favorite Irene Hannon. Vanished is the exciting first book in the Private Justice series: Three justice seekers who got burned playing by the rules now have a second chance to make things right.

Compares national concepts of social justice with the developing European concept of access justice.

An Independent Institute book.

U.S. Marshal Jake Taylor has seen plenty of action during his years

in law enforcement. But he'd rather go back to Iraq than face his next assignment: protection detail for federal judge Liz Michaels. His feelings toward Liz haven't warmed in the five years since she lost her husband--and Jake's best friend--to possible suicide. How can Jake be expected to care for the coldhearted workaholic who drove his friend to despair? As the danger mounts and Jake gets to know Liz better, his feelings slowly start to change. When it becomes clear that an unknown enemy may want her dead, the stakes are raised. Because now both her life--and his heart--are in mortal danger. Full of the suspense and romance Irene Hannon's fans have come to love, Fatal Judgment is a thrilling story that will keep readers turning the pages late into the night.

This book seeks to understand the investigation and settlement of employer/employee disputes within companies. It argues that there is effectively no democratic knowledge about, or control over, corporate security, due to companies' preference for private, out-of-court settlements when faced with norm violations raised by employees. This book fills the knowledge gap by providing an overview of the corporate security sector including legal frameworks and an analysis of the role and powers of private investigative services, inhouse security, forensic accountants and forensic legal investigators. It

Download Ebook Private Justice

draws on close observation, case studies and interviews with practitioners in and around the industry. Corporate Investigations, Corporate Justice and Public-Private Relations also looks at public-private relationships in this sector to propose policy remedies applicable to all corporate security providers, regardless of the disparate professional backgrounds and skill-sets of their staff.

This book, first published in 1983, looks at discipline in industry and shows how private justice is integrally bound up with formal law. It is a timely examination of the forms of social control that exist ostensibly outside the formal legal system but on which it crucially depends. *Private Justice: Towards Integrated Theorising in the Sociology of Law* will be of interest to students of law, sociology, and criminology. Dr. Stuart Henry is currently Professor and Director of the School of Public Affairs at San Diego State University where he has been since 2006. Since leaving Trent Polytechnic (now Nottingham Trent University) in 1983 he has held positions in the United States at Eastern Michigan University, Wayne State University, and the University of Texas at Arlington. He is the author or editor of 30 books and over 100 articles on crime, deviance and social control.

It's long been known that Japanese file fewer lawsuits per capita than Americans do. Yet explanations for the difference have tended to be partial and unconvincing, ranging from circular arguments about Japanese culture to suggestions that the slow-moving Japanese court system acts as a deterrent. With *Second-Best Justice*, J. Mark Ramseyer offers a more compelling, better-grounded explanation: the low rate of lawsuits in Japan results not from distrust of a dysfunctional system but from trust in a system that works—that sorts and resolves disputes in such an overwhelmingly predictable pattern that opposing parties rarely find it worthwhile to push their dispute to trial. Using evidence from tort claims across many domains, Ramseyer reveals a court system designed not to find perfect justice, but to “make do”—to adopt strategies that are mostly right and that thereby resolve disputes quickly and economically. An eye-opening study of comparative law, *Second-Best Justice* will force a wholesale rethinking of the differences among alternative legal systems and their broader consequences for social welfare.

When sixteen-year-old Jenny James goes missing, and the local police are unable to find her, the girl's frantic mother hires private investigators Jake and Annie Lincoln to search for her daughter. When the body of Jenny's boyfriend is discovered, the mystery of her

disappearance deepens. Shaken out of their comfort zone of Internet searches and poring over public records, the couple soon find themselves facing the frightening possibility they are looking for the latest victim of a serial killer. As more bodies pile up, the town is gripped with fear. It seems no one is safe, and the Lincolns race to solve an impossible puzzle before they become the killer's next victims. + + + Category Keywords: free, freebies, female protagonist, serial killer, vigilante justice, women sleuths, Crime Fiction, police procedurals, Murder, Kidnapping, private detective, Mystery, mystry, suspence, Suspense, mysteries, thrillers, Canada, Canadian, Mystery & Detective, Private Investigators Series, International, Cozy, ebook, criminal fiction, thriller novels, free books, Serial Killers, ebooks, Police
