"A heavyweight among motivational writers." Charles Paul Conn, author of *An Uncommon Freedom*.

Advice on how to transform high expectations into real outcomes, concentrate on desire and the rewards of success instead of fear and failure, and how to visualize and act out winning situations to guarantee success.

In this unprecedented book, two psychologist researchers interview sports legends and super-athletes across sports to explain the thinking that powers stellar performers, pushing them to amazing and historic successes.

Bestselling author Denis Waitley offers timeless and timely advice on how to apply his philosophy to the digital age and attain personal and professional excellence today. You will learn: \* To motivate by desire, not fear and \* To take responsibility for outcomes in a fast-paced, unpredictable world \* Why inner values are critical to external success \* The keys to creativity and optimism \* Why empowering others is the new power \* How you can become a change-master in today's volatile global economy \* How to form new habits based on major advances in science, particularly neuroscience \* New ideas, research and immediately applicable techniques for self-mastery in the 21st Century with Denis' patented, authentic, accessible, personable style (with a touch of humor mixed in). The bestselling author of *Seeds of Greatness*, *The Psychology of Winning*, and *The Winner's Edge*, Waitley is one of the most respected and listened to voices on high performance achievement. He is in the International Speakers' Hall of Fame and one of the most popular keynote speakers in the world.
