Rat-baiting is a blood sport, which involves placing captured rats in a sunken pit or other enclosed area surrounded by spectators, and then betting on how long a dog, usually a terrier, takes to kill them by taking rats in its mouth and shaking them to death. Often, two dogs competed, with the winner receiving a cash prize. It is now illegal in most countries.

Justice System  
Scientific research since the mid-1970s shows that treatment of those with SUDs in the criminal justice system can change their attitudes, beliefs, and behaviors toward drug use; avoid relapse; and successfully remove themselves from a life of substance use and crime. 5-7 For example, studies suggest that using medications for opioid use ...
