Late-night texts. Mixed signals. Dead-end relationships. This doesn't have to be your love life. Welcome to dating in the digital world where phone conversations followed by dinner and a movie have been replaced by last-minute texts, ambiguous relationships, and vague group hangouts. While technology makes it faster and easier to connect than ever before, it has also created confusion . . . And heartbreak. Ruthie and Michael Dean have heard the same story from thousands of women: the disappearing men, the cryptic messages, the disappointing relationships, and the false intimacy of on-screen connection. In a no-holds-barred narrative style, the husband-and-wife team chronicles their dating mishaps, hilarious attempts to find love, and many mistakes helping women understand just what men are thinking and how to attract Mr. Right. Real Men Don't Text offers game-changing perspectives, bringing a fresh approach to love, sex, and dating. You don't need to spend one more night staring at a phone screen. It's time to take back your love life!

The crooner Rudy Vallée's soft, intimate, and sensual vocal delivery simultaneously captivated millions of adoring fans and drew harsh criticism from those threatened by his sensitive masculinity. Although Vallée and other crooners reflected the gender fluidity of late-1920s popular culture, their challenge to the Depression era's more conservative masculine norms led cultural authorities to stigmatize them as gender and sexual deviants. In Real Men Don't Sing Allison McCracken outlines crooning's history from its origins in minstrelsy through its development as the microphone sound most associated with white recording artists, band singers, and radio stars. She charts early crooners' rise and fall between 1925 and 1934, contrasting Rudy Vallée with Bing Crosby to demonstrate how attempts to contain crooners created and dictated standards of white masculinity for male singers. Unlike Vallée, Crosby survived the crooner backlash by adapting his voice and persona to adhere to white middle-class masculine norms. The effects of these norms are felt to this day, as critics continue to question the masculinity of youthful, romantic white male singers. Crooners, McCracken shows, not only were the first pop stars: their short-lived yet massive popularity fundamentally changed American culture.

A humorous look at masculinity features simple recipes for breakfasts, lunches, dinners, and desserts men will enjoy preparing and eating

Late-night texts. Mixed signals. Dead-end relationships. This doesn't have to be your love life. Welcome to dating in the digital world--where phone conversations followed by dinner and a movie have been replaced by last-minute texts, ambiguous relationships, and vague group hangouts. Ruthie and Michael Dean have heard the same story from thousands of women: the disappearing men, the cryptic messages, the disappointing relationships, and the false intimacy of on-screen connection. In a no-holds-barred narrative style, the husband-and-wife team chronicles their dating mishaps, hilarious attempts to find love, and many mistakes--helping women understand just what men are thinking and how to attract Mr. Right. Real Men Don't Text offers game-changing perspectives, bringing a fresh approach to love, sex, and dating. You don't need to spend one more night staring at a phone screen. It's time to take back your love life!

In the 1990s a troubling social trend emerged where men began referring to each other as "players." On the other hand, real men have been diminished and painted with the broad brush of suspicion and cynicism, in large part because of this growing fascination with "playing" in the urban landscape. Instead of positive male model that work hard, take care of their children and provide leadership in the household, too many young people are leaning in the direction of frivolity because of the absence of real men in their lives. Which leads to this question: what is a man supposed to look like, act like and be like? The answer to that question can be found in the pages of "Real Men Don't Play!" This insightful and inspiring book is a compilation of models of possibility; it includes real men from divergent walks of life that share common characteristics that define them as real men. Their individual and collective accomplishments are a recipe for living a productive life. The author, Bobby Glanton Smith, a native of Murfreesboro, Tennessee, devoted over 10 years of his life to constructing an expose that illuminates his interface with some of the most fascinating and extraordinary men that have lived in his lifetime. Bobby has worked with NFL Hall of Fame member and social activist Jim Brown for over 20 years and proudly proclaims that Jim Brown is one of the inspirations for this book. The late Jerry Anderson, a childhood friend and former NFL player, is also featured in this book because of the profile in courage his short life encompassed. The late Sgt. George D Osborne, the author's first cousin, was a man as a child - and his example of responsibility and fortitude will chill your soul and elevate your spirit simultaneously. The genius of Harry Pickens as promulgated in "Real Men Don't Play!" will unveil the immense capabilities of a man who lives in accordance with his core beliefs and who mastered the power of thinking his way through life. Julian Mendoza's mastery of self-determination is a road map to personal and professional success. You will also discover by reading this book that Lionel Hollins is far more than a former NBA World Champion and highly successful NBA coach, he's also a man who turned lemons into lemonade as he navigated his upward climb from humble beginnings. Rick Perkins, "The Man with the Horn," found the strength and the will to defeat adversity and leave indelible footprints along his journey through life; Rick's example of fatherhood is uniquely inspiring and instructional. Sam "The Face of Boxing," has lived an incredible life and continues to raise the bar of human possibility. Few men of color, particularly African American men, have climbed the corporate ladder and remained socially conscience as has Kevin McDowell. Abdur-Rahim Hameed is a man of remarkable will; he took on the construction industry and carved out a path of apprenticeship for black and brown kids that has changed the industry. Two-time Emmy Award Winner Keith David is far more than an acclaimed actor on the stage and screen - he's a man's man in every possible way. "Real Men Don't Play! affords the ready an opportunity to peek inside the world of men whose lives are governed by tried-and-true principles of life management. This book ultimately affirms a prophetic proclamation by an extraordinary man in his own right, the late Marcus Garvey: "What Men Have Done, Men Can Do!

Do you feel like you are too nice? Sherry Argov's Why Men Love Bitches delivers a unique perspective as to why men are attracted to a strong woman who stands up for herself. With saucy detail on every page, this no-nonsense guide reveals why a strong woman is much more desirable than a "yes woman" who routinely sacrifices herself. The author provides compelling answers to the tough questions women often ask: · Why are men so romantic in the beginning and why do they change? · Why do men take nice girls for granted? · Why does a man respect a woman when she stands up for herself? Full of advice, hilarious real-life relationship scenarios, "she says/he thinks" tables, and the author's unique "Attraction Principles," Why Men Love Bitches gives you bottom-line answers. It helps you know who you are, stand your ground, and relate to men on a whole new level. Once you've discovered the feisty attitude men find so magnetic, you'll not only increase the romantic chemistry!you'll gain your man's love and respect with far less effort.

The long-awaited sequel to the runaway bestseller Real Men Don't Eat Quiche, f1
