Chase Delany is a rock star. Rock stars are expected to rock hard onstage and party even harder offstage. Chase is living up to those expectations, and then some. He leaves everything he's got onstage, and drowns the ache in his soul at the bottom of a tequila bottle. And then there are the girls. They throw themselves at him nonstop, a never-ending train of hot girls who want in his signature tight leather pants. The problem? Nothing, no amount of booze and no amount of backstage sex can heal the cracks in his heart left by Anna's rejection. And then he runs into Jamie. Anna's best friend. The one girl in the whole world who is off limits to him. The one girl who happens to be the one thing that seems to soothe the hurt inside him. Forgetting her proves to be impossible. Jamie Dunleavy has always been an enthusiastic practitioner of the sexual arts. She's never apologized for it, and she owns it. She's been known to admit--to her best friend Anna Devine, at least--that she's a bit of a slut. Her deep, dark secret? She's tired of it. She doesn't want to be that girl anymore. She wants love, now more than ever, having watched Anna find her own happily-ever-after. So who does she find herself falling for? Chase Delany. Anna's very recent ex. A rockstar, and the one guy she knows she can't ever, ever be with. You don't bang your best friend's ex. You just don't. It's the one hard and fast rule of best friendship. Except, no matter how hard she tries to forget him, she can't seem to shake the image of his dark eyes and sexy tattoos and those lips she wants so badly to kiss and kiss until neither of them can breathe. She can't forget him, and she can't ever have him.

Can you remember that one time you got recognized or someone thanked you for your contribution to their life? You were a rock star, even for just one second. This book isn't about a charmed path to success or some untouchable fairy tale that nobody can relate to--this is about going from rock bottom to rock star, something that everybody can relate to. In his first book, Blair shared the brutally honest story of how he went from an at-risk youth, sleeping on a mattress on the floor of a shack, to a self-made multimillionaire by his early twenties. As his story became a national sensation, fans started asking him how they too could become entrepreneurs, take their careers to the next level, and achieve financial freedom. Rock Bottom to Rock Star answers those questions. Blair has battled extreme obstacles: life as a former gang member, balancing a demanding career with single parenthood, building and selling multiple companies, and making and losing tens of millions of dollars (sometimes all in one day). He wants to help others avoid the mistakes he made in the school of hard knocks, so he has compiled his unique advice for going from rock bottom to rock star in whatever field you chose to pursue. Much of his advice is counterintuitive, and definitely not what you would learn in business school. Here's one example: "Don't believe your own hype. The moment you start celebrating, you've left the stage. It wasn't celebration that made you a rock star. It was hard work." If you're serious about making the most of your life and you're ready to become the "rock star next door" instead of just looking up to them, this may be the most rewarding book you'll ever read.

From the host of the History channel's Brad Meltzer's Decoded: the laws of the universe like you've never experienced them before. This approachable book explains the world of physics with clarity, humor, and a dash of adventure. Physics for Rock Stars is not a weighty treatise on science, but a personal tour of physics from a quirky friend. Anyone who's ever wondered why nature abhors a vacuum, what causes

magnetic attraction, or how to jump off a moving train or do a perfect stage dive will find answers and a few laughs too. No equations, numbers, or tricky concepts—just an inspiring and comical romp through the basics of physics and the beauty of the organized universe.

Documenting Danny Marianino's days as a metalhead from childhood into adulthood, *Don't Ever Punch a Rockstar* somehow rationalizes playing in a few hardcore/punk bands, touring, fighting, drinking, internet bullying, celebrity encounters, satanic curses, house fires, harassment and collecting an immeasurable amount of hate mail from some of the most illiterate human beings the world has to offer. Though Oprah will never add this into her book club, it's still a good lesson in accepting the negative with a laugh and gaining a new sense of temperance and humility. At the very least I will entertain you with a campy memoir and a detailed eye-opening account of the chaos that followed the infamous event that VH1 called one of the Most Shocking Moments in Rock and Roll. This is by no means the same old autobiography that you have read before. *Don't Ever Punch a Rockstar* combine elements of *Get in The Van*, *Emails from an Asshole* and *Shit My Dad Says* all in one hot mess of a story. Praise for the book - "Danny Marianino's *Never Punch a Rockstar* is a sock in the jaw to punk/metal scene conformity, and it hurts so good! Final score: North Side Kings 2, Danzig, 0." - STEVEN BLUSH, author/filmmaker, American Hardcore "As trenchant, sometimes funny, insightful and shocking as a punch in the face. WHICH is incidentally what started this whole ball rolling. A pretty potent look into the power of image and the punching of the face of arguably a legend of, well, face punching, Glenn Danzig, and the ensuing firestorm that followed. I'd give it 5 black eyes." -- EUGENE S. ROBINSON, singer for Oxbow & author of *FIGHT: Everything You Ever Wanted to Know About Ass Kicking But Were Afraid You'd Get Your Ass Kicked For Asking* "With *Don't Ever Punch a Rock Star* author Danny Marianino has written an entertaining, humorous and humble autobiography. The often times laugh-out-loud recollections of Danny's life up to and following the infamous run-in with the drama-queen of dark metal is more than engaging and, with the inclusion of hate mail, zany rumors, message board threats and internet tough guys, you're sure to get a good giggle while learning what truly transpired that fateful night in Tuba City." - DUSTIN LAVALLEY, author of *Spinner* "As we have always said on the streets of NY - don't start none -there wont be none - and if you do, at least keep your hands up and guard your grill. Way to K.O. rock star attitudes Danny Boy!" - John Joseph author of *The Evolution of a Cro-Magnon* and *Meat is For Pussies*

Who doesn't dream of the rock star lifestyle? Loud music, throngs of adoring fans, and parties that last for days. The glitz, the glamor, and the drinking. In *How to Drink Like a Rockstar*, Albert W. A. Schmid offers readers a taste of how the rock stars live with his various cocktail recipes inspired by some of America's favorite musicians, from classic rock to contemporary artists. Drinks like *Opera*, *Jumpin' Jack Flash*, and *T.N.T* pay tribute to bands such as Queen, the Beatles, and AC/DC, each with a different twist. Every one of Schmid's cocktail recipes celebrates the lives and careers of artists such as Van Halen's Michael Anthony with his Jack Daniels-shaped guitar or The Grateful Dead and their army of "Dead Head" groupies. Not only does he detail the best mixing techniques, list the necessary equipment, and provide instructions on how to make homemade cocktail cherries and syrups but Schmid also includes rock star life advice so that readers can maximize their rock star experience. With easy-to-follow glossaries for both rock 'n' roll and cocktail-making terms alongside a wide array of drinks that will quench any sort of thirst, *How to Drink Like a Rock Star* is an informative and light-hearted manual to get your night started right.

Tells the stories of the wives and lovers of famous rock stars, including Gail Zappa, Angie Bowie, Ingrid Croce, and Myra Lewis, and describes how they have coped with the rock lifestyle

Reproduction of the original: *The Rock of the Lion* by Molly Elliot Seawell

She's a rock goddess.He's a sex pistol.I need them both, in my life and in my bed, and I'm not living without either one of them.I'll do whatever it takes, even if it costs me everything I've ever wanted.I'm Tommy Blade, The Prince of Punk Rock, and this is the continuation of our story.When Jessi Blade is forced to miss the first leg of Immortal Angel's world tour, Tommy Blade and Angel Garcia are alone together for the first time. Their romance flourishes and brings them closer together, but time apart puts a strain on Tommy and Jessi's marriage. The demanding schedule of a world tour, pressure from the record label and a wife who feels neglected, leaves Tommy under a blanket of anxiety. He's helpless as his perfect life slowly falls to pieces.When Jessi Blade finally catches up to Tommy and Angel four weeks into their world tour, she begins to feel like an outsider. She's not about to take a back seat to Angel and competes for Tommy's attention. Tired of the rivalry, she begins to wonder if they'd be happier without her.Angel Garcia is trying to hold their relationship together, but Jessi's animosity and Tommy's nervous tension is a heavy load to carry. Before long, it becomes clear that their life and the band are doomed unless they work out their differences.Books in the Radical Rock Stars Series:*The Prince of Punk Rock**Between A Rock and A Hard Place**Punk Rock Resurrection* (a true stand-alone novel)*Rock Star Redemption**Punk Rock-A-Bye-Baby**The Stage* (an Immortal Angel/Bulletproof crossover story)*Don't Miss the Next Generation of Rock Stars!*The progeny of legendary punk rock band Immortal Angel bring you an enemies-to-lovers and friends-to-lovers duet.LUCAS BLADE, *Radical Rock Stars Next Generation Duet #1*MASON WILDER, *Radical Rock Stars Next Generation Duet #2*
