This guide shows you step by step how to sculpt realistic figures, from face to feet, through 10 projects.

Professional sculptor and instructor Elizabeth Bonvalot provides the guidance and tips needed to--with time and practice!--reach realism with your sculpted figures. Begin with the fundamentals, such as the types and properties of clays, the materials and tools, four base techniques, and topics such as roughing out, adding clay, detailing, engobe, firing, and patinas. The first five lessons teach the elements of figure

Clay, focusing your attention on heads, faces, hands, feet, and the body. The next five projects offer a sequence of effective skills building as you create a bas-relief portrait, an animal, a standing nude, a bust, and a lifesize figure. This comprehensive approach is perfect for people who love clay and have a can-do attitude, even with limited formal art class experience.
