Word of Honor meets A Few Good Men in a stunning thriller that pits the Green Berets, C.I.A., and White House against a top Army lawyer in an Investigation that could put the U.S. military on trial. A battalion of Serbs has been senselessly murdered in Kosovo and the Green Berets stand accused. Now, Major Sean Drummond, a top Army lawyer, is assigned to investigate this unspeakable atrocity. But of course, no one saw anything. Drummond gets consistently suspicious depositions from all of the Green Berets: Supposedly pursued by Serb soldiers, they left the engagement with wounded Serbs firing at them, and no one can explain the number of deaths. Teamed with a straight-laced prosecutor and a sexy defense attorney, Drummond probes further but forces continue to hide the truth. Soon a reporter is found dead, Drummond suspects there's

a traitor on his team, and everyone from the CIA to the president may be involved in a cover-up that could threaten the stability of the most powerful nation in the world.

In this, Sean Drummond's fourth outing, the wisecracking, bull-in-a-china-shop J.A.G. lawyer gets loaned out to a white-shoe law firm whose #1 client, a telecom giant, may be vacuuming up intelligence for a foreign power.

New York Times bestselling author Brian Haig returns with a riveting new thriller about a man caught between the politics of big government and the corruption of big business. The Capitol Game It was the deal of the decade, if not the century. A small, insignificant company on the edge of bankruptcy had discovered an alchemist's dream; a miraculous polymer, that when coated on any vehicle, was the equivalent of 30 inches of steel. With bloody conflicts surging in Iraq and Afghanistan, the polymer promises to save thousands of lives and change the course of both wars. Jack Wiley, a successful Wall Street banker, believes he has found a dream come true when he mysteriously learns of this miraculous polymer. His plan: enlist the help of the Capitol Group, one of the country's largest and most powerful corporations in a quick, bloodless takeover of the small company that developed the polymer. It seems like a partnership made in heaven...until the Pentagon's investigative service begins nosing around, and the deal turns into a nightmare. Now, Jack's back is up against the wall and he and the Capitol Group find themselves embroiled in the greatest scandal the government and corporate America have ever seen...

JAG lawyer Sean Drummond has gotten himself in way over his head -- with a case that challenges his deepest fears and a co-counselor who challenges just about everything else. Assigned to South Korea as an advocate for a gay officer accused of brutally killing the son of a South Korean war hero, Drummond is teamed up with an old law-school nemesis. Katherine Carson is a curvy, liberal, William Kunstler-like attorney with a reputation for manipulating the media on behalf of her mostly gay clients. Drummond is as distraught to be working with a woman who knows how to push all his buttons as he is to be defending this client. However, it's just this lack of political correctness that makes him the one man the CIA can trust with its disturbing secrets, and Drummond quickly learns that what appears to be an open-and-shut case is really just the top layer of a deep conspiracy.

Cocky U.S. Army lawyer Lieutenant Colonel Sean Drummond takes on the defense of a young woman accused of taking part in atrocities against the Iraqi prisoners she guarded, and uncovers evidence that she may have been a pawn in a larger military strategy.

NEW YORK TIMES BESTSELLER "A master at keeping the reader hanging on to see what happens next " - Associated Press "The Lion" will be landing. . . And at New York's JFK Airport, an elite American task force waits as the notorious Libyan terrorist prepares to defect to the West. Then, aboard Flight 175, something goes eerily, horribly wrong -- a mere prelude to

Read PDF Secret Sanction Sean Drummond 1 Brian Haig

the terror that is to come. Ex-NYPD cop, now Federal Task Force agent John Corey -- together with his formidable and beautiful new partner, Kate Mayfield -- will follow a trail of smoke and blood across the country. His quarry: a foe with the cunning of a lion and all the bloodlust of a man. To win a desperate game with no rules at all, Corey must invent a strategy that leaves no room for mistakes.

In the worst case of treason in U.S. history, General William Morrison has been charged with an array of crimes. Sean Drummond bulls ahead and comes to suspect that this simple case of treason is actually a chess game being played at the highest levels by the best and brightest--one in which Morrison is merely a pawn.

#1 NEW YORK TIMES BESTSELLER "Bracing and spectacular." - Providence Sunday Journal Anti-Terrorist Task Force agent John Corey and his wife, FBI agent Kate Mayfield, have been posted overseas to Sana'a, Yemen-one of the most dangerous places in the Middle East. While there, they will be working with a small team to track down one of the masterminds behind the USS Cole bombing: a high-ranking Al Qaeda operative known as The Panther. Ruthless and elusive, he's wanted for multiple terrorist acts and murders-and the U.S. government is determined to bring him down, no matter the cost. As latecomers to a deadly game, John and Kate don't know the rules, the players, or the score. What they do know is that there is more to their assignment than meets the eye-and that the hunters are about to become the hunted. Filled with breathtaking plot turns and told in John Corey's inimitable voice, THE PANTHER raises disturbing questions about whether we can ever know who our enemies - or our allies - really are.

In 48 hours, the U.S. President will be history. "Haig...never fail[s] to keep us on our toes." - Booklist It looked like a mass execution: six people, systematically shot and killed in a private Washington mansion. One of the targets happened to be the White House Chief of Staff. But that wasn't the reason Sean Drummond was called in on the case. Newly enlisted in a CIA cell called the Office of Special Projects, the former Army lawyer was informed that the murders were just a warning. The killer had left a note: "You can't stop us. There will be others, and the President will be history in the next two days." The clock is ticking. The hunt begins for the ultimate killer-for-hire-a brilliant, coldhearted professional with an insider's knowledge of Washington. For Sean Drummond, it's the greatest challenge of his career, a terrifying cat-and-mouse game with unthinkable consequences. If he fails, the world will never be the same-and one calculating killer will collect the \$100 million bounty on the President's head. The story of one shocking conspiracy, two fateful days, and an earth-shattering death threat, THE PRESIDENT'S ASSASSIN is a gripping and chillingly real novel from one of the world's premier writers.

New York Times bestselling author Brian Haig delivers his a thriller inspired by a true story about one man running between two countries, trying desperately to escape his past. In 1987, Alex Konevitch was thrown out of Moscow University for "indulging his entrepreneurial spirit." But by 1991, he was worth \$300 million. On track to become Russia's wealthiest man, he makes one critical mistake: he hires the former deputy director of the KGB to handle his corporate security. And then his

world begins to fall apart. Kidnapped, beaten, and forced to relinquish his business and his fortune, Alex and his wife escape to the United States, only to be accused by his own government of stealing millions from his business. With a mob contract out on his life and the FBI hot on his trail, Alex is a desperate man without a country-facing the ultimate sacrifice for the chance to build a new life for himself and his family.
