Smoke In The Sun

Smoke in the Sun is the second book in the Flame in the Mist duology. This final instalment continues to follow Mariko, fiercely independent in a world that expects its females to be anything but. This fantasy, inspired by Feudal Japan, focuses on both the shifting allegiances and political intrigue of the Emperor's court, as well as the wider tribulations, troubling the kingdom.

Smoke in the Sun (Flame in the Mist, #2) by Renée Ahdieh

Smoke in the Sun picks up (assumingly, since I read Flame in the Mist way too long ago) where we left off in Flame in the Mist. Okami has been imprisoned and Mariko is at the mercy of her brother, Roku, the emperor, and Raiden, her once betrothed. Things are pretty chaotic and complicated to say the least.

That too is due to the haze which is blocking the sun's ability to make it warmer. Wildfires out west are sending so much smoke into the atmosphere, we're getting a thin layer of haze 3,000 miles away. Smoke is riding westerly winds about 20,000 feet up & creating a dim diffused sky. So while there are no clouds, the sun can't help warm us up.
