New York Times bestselling author and artist James Dean brings readers along for a fun, surprising, snowy adventure with Pete the Cat! In Pete the Cat: Snow Daze, school is canceled, and Pete cannot wait to play in the snow with all his friends. Imagine a day filled with snowball fights, hot chocolate, snowcats, and more. But when the next day and the day after that are all snow days, Pete comes to a sudden realization—it is possible to have too many snow days. Pete the Cat: Snow Daze is a My First I Can Read book, which means it's perfect for shared reading with a child.

Two children celebrate a wonderful wintry day by playing in the snow, sledding, building snow people, baking cookies, and ice skating.

It's the long, hot summer of 1976 and Adrea is falling in love for the first time, while nursing the apparently decrepit residents of a north London care home.

"Simple nonfiction text and full-color photographs describe how to build a snowman in winter"--

Snowflakes, sleds, and skates are just the beginning of the joys of winter.

How do snow crystals form? What shapes can they take? Are no two snow crystals alike? These questions and more are answered in this visually stunning exploration of the science of snow. Perfect for reading on winter days, the book features photos of real snow crystals in their beautiful diversity. Snowflake-catching instructions are also included.

Could it be the night before a Snow Day? It's nighttime and snow is falling hard. Will the town be snowed in? Will there be a snow day? Odds are looking good in this newest Night Before book for the kids who dream of snowball fights, sledding, and the possibility that it may snow again tomorrow!

Don't miss the first and bestselling book in the beloved Pete the Cat series! Pete the Cat goes walking down the street wearing his brand-new white shoes. Along the way, his shoes change from white to red to blue to brown to WET as he steps in piles of strawberries, blueberries, and other big messes! But no matter what color his shoes are, Pete keeps movin' and groovin' and singing his song...because it's all good. Pete the Cat: I Love My White Shoes asks the reader questions about the colors of different foods and objects—kids love to interact with the story. The fun never stops—download the free groovin' song. Don't miss Pete's other adventures, including Pete the Cat: Rocking in My School Shoes, Pete the Cat and His Four Groovy Buttons, Pete the Cat Saves Christmas, Pete the Cat and His Magic Sunglasses, Pete the Cat and the Bedtime Blues, Pete the Cat and the New Guy, Pete the Cat and the Cool Cat Boogie, Pete the Cat and the Missing Cupcakes, Pete the Cat and the Perfect Pizza Party, and Pete the Cat: Crayons Rock!

Do you find fun in pun? Perhaps you are looking for a few puns on the run? Follow the characters of Comedic Destruction in Daze and Knights as they take you on a mind-stimulating, language-enhancing journey. Puntastic and fantastic, this book will massage your intellect, and provide your laugh muscles some 'much-kneaded' exercise via wordplay vignettes!The book is divided into several chapters. The first chapter, "Their Eyes Were Watching Job," is a collection of stories in an occupational setting or regarding a business transaction. "I Think Yet I Cram" features tales of students and teachers and, more generally, intellectual high jinks. The third chapter, "Empty Cow or Rheas: I Love My Shakes Pear," is, as you'd imagine, a collection of tales involving food; although it should be noted that these wordplays have little or no nutritional value. The final chapter, "I've Been Around: Whirled without End," features stories of characters in motion.Daze and Knights contains fun puns for everyone, enhanced by talented illustrator, Megan Nolton. This wild and witty work promises a few dozen laughs along the journey, as you'll discover, from cover to cover.

Through vivid photos and engaging nonfiction text, this fun and fact-filled Rookie Read-About Science book answers the question, How do you know its winter? Covering everything from weather patterns to animal behaviors to seasonal activities, How Do
