All press is good press, and this will only enhance the intrigue about her upcoming blockbuster. But how is Gigi supposed to be taken seriously as an actress with all this inappropriate buzz? She's Cate Blanchett, not Kim Kardashian. But then Gigi meets Merrick Graham, the Bad Boy of Politics. The last thing either of them wants is to be tainted by more scandal: he needs the support of the conservatives, and she wants to untarnish her image. Only they can't resist each other--separately they're good, but in the bedroom they're even better. They can't be seen together in public, but in private all's fair game, and there's plenty of room to misbehave...

It takes three alphas to tame this wild omega. Left scarred and untrusting after an attack, Kara doesn't let people close—it only leads to heartache. She has no problem sleeping with them, but that's as far as she can ever let it go. Cullen, Reese and Damon are used to dealing with criminals in their work as private investigators, but they've never met anyone like the wild omega, Kara. When working for them lands her in trouble, they have no choice but to finish their case with her. They've always wanted to settle down with a quiet, sweet omega who would listen and stay safe, and it's obvious Kara isn't any of those things. Each taste they have of her shows them how happy they could be...if only they could tame her. As Kara and the alphas delve deeper into the shadows to track the missing omega, the differences between them seem insurmountable. Even as danger surrounds them, Kara clings to her need for freedom while the alphas believe changing her is the only way to keep her safe. If they can't learn to trust one another in time, the secrets they chase will pull them all under.
