The Isabella Rose by Mark Dawson introduces Isabella Rose, an agent of Group 15 just as her mother Beatrix Rose was before her. Nonetheless, even as she is in charge of eliminating some of the most dangerous enemies of her country, she is an unofficial employee of British Intelligence given that she is underage.

Isabella Rose - Book Series In Order

The Agent is another entertaining read from Mark Dawson. Now in her third installment, Isabella Rose continues to develop as one of my favorite series characters. The book falls back on proven Mark Dawson formula: tight, non-stop action with little time for boring filler. The result is a tale that, intellectually, isn't that deep.

An Isabella Rose Thriller (4 book series) Kindle Edition

Isabella Rose is a brilliant creation. Taught by her late Mother Beatrix, a formidable British agent whose husband was murdered. Isabella has already avenged her father's death by tracking down the final murderer involved in his death. Now a target herself, helped by ex agent Michael Pope she continues her riveting adventures against the ungodly.

White light. Heat. A drawn-out moment of complete silence. And then the screaming starts. An Underground carriage in London is destroyed by a suicide bomber. The injured and the dead litter the platform. But as a crowd forms at street level, Michael Pope knows that this is only the beginning. Pope, head of top-secret Group Fifteen, is tasked with finding the perpetrators of this atrocity and bringing them to justice, any way he can. He knows that the answers to many of his questions will lie at the end of the money trail, but he also knows that whoever funded and organised the

attack will kill again for their freedom. This is an operation that requires a very special kind of agent. Pope needs someone who exists outside of normality. Someone who floats above it, treading softly through a fractured life. He needs the Angel.

Ciudad Juárez, Mexico, is the most dangerous city in the world. And when a mission to break the local cartel's grip goes wrong, Isabella Rose, the Angel, finds herself on the wrong side of prison bars. Fearing the worst, Isabella plays her only remaining card... British agent Vivian Bloom is determined to be the first to reach her, certain she will lead him to other operatives he's under pressure to hunt down. But US agents are circling too. And with the shadowy Prometheus group pulling the strings, Isabella knows that she and her mentor, the Asset, are living on borrowed time... The Assassin is the fourth part in a continuing story involving Isabella Rose that also includes Act I: The Angel, Act II: The Asset and Act III: The Agent.

Isabella Rose, the Angel, is used to surprises, but being abducted is an unwelcome novelty. She's relying on Michael Pope, the head of the top-secret Group Fifteen, to get her back. When ISIS get involved, the situation becomes even bleaker. Isabella's abductors are in turn abducted, and she finds herself trapped in Raqqa, the capital of the self-styled caliphate. Meanwhile, Pope has problems of his own: a new danger has emerged from the shadows and is threatening both him and his family. His only option is to head for the war-torn border of Turkey and Syria--a murderous, lawless place where potential enemies lurk around every bombed-out corner. Pope knows that he is risking everything to find Isabella, but finding the Angel is not a choice--it's a necessity. The Asset is the second part in a continuing story involving Isabella Rose that started with Act I: The Angel. The story will be continued in Act III.

Beatrix Rose was the most dangerous assassin in an off-the-books government kill squad until her former boss betrayed her, her husband was gunned down, and her daughter kidnapped. A decade later, Beatrix emerges from the Hong Kong underworld with payback on her mind. It's a blood feud she didn't start but she is going to finish. There are six names on her Kill List. With one already crossed off, Beatrix sets out to find her second target, a mercenary being held hostage by Somali terrorists. Can she infiltrate the most dangerous failed state on the planet and scrub him off the List, too? Packed with explosive action and page-turning suspense, *In Cold Blood* is the first novel in Mark Dawson's bestselling Beatrix Rose series.

*****WINNER OF THE 2018 MAINE LITERARY AWARD FOR SPECULATIVE FICTION***** An inventive metafictional novel, in which a drug-dealing biker must solve his own murder from beyond the grave. Thumb Rivera is in a bind. A college dropout, aspiring writer, smalltime marijuana grower, and biker club hang-around, Thumb finds himself confined to his rural ranch house in the desolate Maine countryside, helpless to do anything but watch as his former friends and housemates scheme behind his back, conspire to steal his girlfriend, and make inroads with the Blood Eagles, a dangerous biker gang. Thumb is also dead. A ghost forced to haunt his survivors and reflect back on the circumstances that led to his unsolved murder, Thumb discovers he has one channel through which he can communicate with the living world: Ben, an unemployed ghost hunter. Ben soon convinces local curmudgeon Fred Muttkowski, failed novelist turned pig farmer, to turn Ben's Ouija-board conversations with Thumb into an actual book. Thumb has two things on his mind: To solve, and then avenge, the mystery of his own violent death, and also to tell his story. That story is *American Ghost*—as told to Ben, then fictionalized by Fred. It's at once a clever tale of the afterlife, a poignant examination of the ephemeral nature of life, and a celebration of writing and the written

word.

Daniel Tate seems to have it all: a brilliant career as a showbiz lawyer, tons of money and a beautiful actress girlfriend. Then things start to go wrong. As Daniel finds himself descending deeper into paranoia and obsession, just how far will he go to return things to the way they were.

The Girls meets Fight Club in this coming-of-age novel about queer desire, religious zealotry, and the hunger for transcendence among the devoted members of a cultic chapel choir in a prestigious Maine boarding school—and the obsessively ambitious, terrifyingly charismatic girl that rules over them. When shy, sensitive Laura Stearns arrives at St. Dunstan's Academy in Maine, she dreams that life there will echo her favorite novel, *All Before Them*, the sole surviving piece of writing by Byronic “prep school prophet” (and St. Dunstan's alum) Sebastian Webster, who died at nineteen, fighting in the Spanish Civil War. She soon finds the intensity she is looking for among the insular, Webster-worshipping members of the school's chapel choir, which is presided over by the charismatic, neurotic, overachiever Virginia Strauss. Virginia is as fanatical about her newfound Christian faith as she is about the miles she runs every morning before dawn. She expects nothing short of perfection from herself—and from the members of the choir. Virginia inducts the besotted Laura into a world of transcendent music and arcane ritual, illicit cliff-diving and midnight crypt visits: a world that, like Webster's novels, finally seems to Laura to be full of meaning. But when a new school chaplain challenges Virginia's hold on the “family” she has created, and Virginia's efforts to wield her power become increasingly dangerous, Laura must decide how far she will let her devotion to Virginia go. *The World Cannot Give* is a shocking meditation on the power, and danger, of wanting more from the world.

A story of greed, duplicity and death in the flamboyant, super-ego world of rock celebrities. Dystopia have rocketed up the charts in Europe, so now it's time to crack the American market. The opening concert in Las Vegas is a huge success -- but secret envy and open animosity have begun to tear the group apart. The lead singer, Vid, is on a roller-coaster of self-indulgence and egomania... Jared, the lead guitarist, increasingly resents being shouldered out of the limelight... Spin, the warm-up DJ, just cannot resist a dangerous extra-marital adventure... nor can their manager, Alex, resist the lure of personal gain that greed and duplicity could bring him. Then one of them dies, in an apparent accident, and there begins to unravel a chilling saga of dark emotions, cynical manipulation, and murderously ruthless self-interest.

"Those who wronged her will pay, because Beatrix is the most dangerous woman you've ever met. She was an assassin for Group Fifteen, the beyond top secret agency that did the dirty work for the British Secret Services. And you know what they say about payback...Beatrix finds work in the Hong Kong underworld. But when she has a difference of opinion with her employer, the ruthless Mr. Ying, she finds herself in a headlong flight for justice against a man with no scruples. Alliances are formed and broken. Friends become enemies. Enemies become friends. And nothing is what it seems. Can Beatrix save herself and her loved ones in the face of insurmountable odds?"--Cover, page 4.
