The Chasm of Fire is a dungeon located in the north-west corner of Shayzien, housing a variety of demons. All of the demons can only be killed while on a slayer task . A dwarf multicannon can be used in the chasm, although it is not a multi-combat area. At the bottom floor are several burnt bone and fire rune spawns.

One of the true classics of women's spirituality. Distraught by the untimely death of her husband, Irina Tweedie awakened to a religious and spiritual quest which took her to India, where she found a Sufi teacher who was to revolutionize her life. This book was written from the diary she kept while under his tutelage.

Irina Tweedie's unique account of the slow and painful grinding down of the personality at the hands of a Sufi Master. This diary spans five years, making up an amazing record of spiritual transformation. From a psychological perspective, this diary maps the process of ego dissolution, gradually unveiling the oneness and love that reside beneath the surface of the personality. Mrs. Tweedie is the first Western woman to be trained in this ancient yogic lineage.

Here is the bestselling guide that created a new game plan for marketing in high-tech industries. Crossing the Chasm has become the bible for bringing cutting-edge products to progressively larger markets. This edition provides new insights into the realities of high-tech marketing, with special emphasis on the Internet. It's essential reading for anyone with a stake in the world's most exciting marketplace.

A #1 New York Times bestseller! Sarah J. Maas's brand-new CRESCENT CITY series begins with House of Earth and Blood: the story of half-Fae and half-human Bryce Quinlan as she seeks revenge in a contemporary fantasy world of magic, danger, and searing romance. Bryce Quinlan had the perfect life-working hard all day and partying all night-until a demon murdered her closest friends, leaving her bereft, wounded, and alone. When the accused is behind bars but the crimes start up again, Bryce finds herself at the heart of the investigation. She'll do whatever it takes to avenge their deaths. Hunt Athalar is a notorious Fallen angel, now enslaved to the Archangels he once attempted to overthrow. His brutal skills and incredible strength have been set to one purpose-to assassinate his boss's enemies, no questions asked. But with a demon wreaking havoc in the city, he's offered an irresistible deal: help Bryce find the murderer, and his freedom will be within reach. As Bryce and Hunt dig deep into Crescent City's underbelly, they discover a dark power that threatens everything and everyone they hold dear, and they find, in each other, a blazing passion-one that could set them both free, if they d only let it. With unforgettable characters, sizzling romance, and page-turning suspense, this richly inventive new fantasy series by #1 New York Times bestselling author Sarah J. Maas delves into the heartache of loss, the price of freedom-and the power of love.

Return to the dazzling world of Revelation Space with this British Science Fiction Award-winning space opera about a young man hell-bent on revenge on the surface of a twisted, disease-corrupted planet. The once-utopian Chasm City -- a domed human settlement on an otherwise inhospitable planet -- has been overrun by a virus known as the Melding Plague, capable of infecting any body, organic or computerized. Now, with the entire city corrupted -- from the people to the very buildings they inhabit -- only the most wretched sort of existence remains. For security operative Tanner Mirabel, it is the landscape of nightmares through which he searches for a lowlife postmortal killer. But the stakes are raised when his search brings him face to face with a centuries-old atrocity that history would rather forget. One of Locus and Science Fiction Chronicle's "Best SF Novels of the Year"

“ Mother of the Unseen World is absolutely riveting, deeply searching, and thought-provoking. ” —Gretchen Rubin For readers interested in the mysteries of spiritual awakening, an exploration of the Indian “ avatar ” Mother Meera, known as an embodiment of the Divine Feminine Throughout history there have been rare individuals who transcend what seems humanly possible, “ enlightened ” beings born with knowledge and experience that defy explanation. Kamala Reddy was a ten-year-old servant in rural India when her mysterious powers were recognized; she is believed to be an “ avatar ” —a divine incarnation in human form—and was soon given the name Mother Meera. Over the past forty years, she has welcomed millions of seekers from all faiths to have darshan (silent blessing) at her homes in Germany and India. Mother Meera has no dogma, offers her gifts free of charge, and belongs to no particular religion. Her transformational work is done using a particular light, she explains, which she transmits through her fingertips when she touches each person ’ s head during darshan, undoing “ energetic knots ” and quickening a person ’ s spiritual development. “ Like electricity, the light is everywhere, but one must know how to activate it. I have come for that, ” she says. Mark Matousek was a nonbeliever when he met Mother Meera in 1985. Yet, in her presence, he experienced inexplicable occurrences that forced him to challenge his worldview. Now, in this deeply moving and wise book, he takes us as close as possible to this extraordinary woman. Is divine incarnation truly possible, he asks, as most of the world ’ s religions insist? Who is Mother Meera, really? Speaking to members of her inner circle, working at her school for the poor in India, and interviewing the elusive master herself, Matousek takes the reader on a mysterious quest into the “ unseen world ” where the divine and human intersect. Advance praise for Mother of the Unseen World “ Mother of the Unseen World reads like a classic adventure novel, with one exception—much of the adventure goes on inside the reader as we follow Mark Matousek ’ s everyman journey from pain and doubt to discovery and awakening. ” —Elizabeth Lesser, author of Broken Open and co-founder of Omega Institute “ Mark Matousek brings us to the feet of Mother Meera in this transcendent, rapturous, astonishing book. ” —Eve Ensler, author of The Vagina Monologues and In the Body of the World “ At once a spiritual autobiography and an exploration of one of the most mystical beings of our time. ” —Dani Shapiro “ Mother Meera ’ s message of peace and love has touched me profoundly. ” —Ringo Starr

Game of Thrones meets Graceling in this thrilling fantasy, the heart-pounding sequel to New York Times bestseller Snow Like Ashes. This action-packed series is perfect for fans of An Ember in the Ashes and A Court of Thorns and Roses. It ’ s been three months since the Winterians were freed and Spring ’ s king, Angra, disappeared—thanks largely to the help of Cordell. Meira just wants her people to be safe. When Cordellan debt forces the Winterians to dig their mines for payment, they unearth something powerful and possibly dangerous: Primoria ’ s lost chasm of magic. The last time the world had access to so much magic, it spanned the Decay. So when the king of Cordell orders Meira and Theron on a mission to discover the chasm ’ s secrets, Meira plans on using the trip to garner support to keep the chasm shut and Winter safe—even if it means clashing with Theron. But can she do so without endangering the people she loves? Mather just wants to be free. The horrors inflicted on the Winterians hang fresh and raw in Januari—leaving Winter vulnerable to Cordell ’ s growing oppression. When Meira leaves to search for allies, Mather decides to take Winter ’ s security into his own hands. Can he rebuild his broken Kingdom and protect his people from new threats? As the web of power and deception is woven tighter, Theron fights for magic, Mather fights for freedom—and Meira starts to wonder if she should be fighting not just for Winter but for the world.

On that July evening in 1946, the leader counted aloud and the mob of white men fired. Seconds later, the leader counted again, "One, two, three," and the mob fired once more. After the third and final volley of gunshots, the white men got into their cars and drove off, leaving the bullet-ridden bodies of two young black men and two young black women lying in the dirt near Moore's Ford Bridge in rural Walton County, Georgia. Since that summer evening, there have never been as many victims lynched in a single day in America. Now, more than a half century later, Laura Wexler offers the first full account of the Moore's Ford lynching, a murder so brutal it stunned the nation and motivated President Harry Truman to put civil rights at the forefront of his national agenda. With the style of a novelist, the authority of a historian, and the tenacity of a journalist, Wexler recounts the lynching and the resulting four-month FBI investigation. Drawing from interviews, archival sources, and an uncensored FBI report, she takes us deep into the landscape of 1946 Georgia, creating unforgettable portraits of sharecroppers, sheriffs, bootleggers, the victims, and the men who may have killed them. Fire in a Canebrake pursues the legacy of the Moore's Ford lynching into the present, exploring the conflicting memories of Walton County's black and white citizens and examining the testimony of a white man who claims he was a secret witness to the crime. In 2001, the governor of Georgia issued a new reward for information leading to the arrest of the lynchers. Several suspects named in the FBI's 1946 investigation are still alive, and there is no statute of limitations on the crime of murder. Fire in a Canebrake -- a phrase local people used to describe the sound of the fatal gunshots -- is a moving and often frightening tale of violence, sex, and lies. It is also a disturbing snapshot of a divided nation on the brink of the civil rights movement and a haunting meditation on race, history, and the struggle for truth.

In this installment of the Lone Wolf Gamebook series, the reader is sent to discover the missing gold and locate the lost patrol. But it is a mission of dire consequences. The Lone Wolf adventures are a unique interactive fantasy series in which each episode can be played separately or they can be combined to create a fantastic role-playing epic.
