A wild ride to the dark side of Americana. Hunter S. Thompson's and Ralph Steadman's most eccentric book The Curse of Lono is to Hawaii what Fear and Loathing was to Las Vegas: the crazy tales of a journalist's "coverage" of a news event that ends up being a wild ride to the dark side of Americana. Originally published in 1983, The Curse of Lono features all of the zany, hallucinogenic wordplay and feral artwork for which the Hunter S. Thompson/Ralph Steadman duo became known and loved. This curious book, considered an oddity among Hunter's oeuvre, was long out of print, prompting collectors to search high and low for an original copy. TASCHEN's signed, limited edition sold out before the book even hit the stores—this unlimited version, in a different, smaller format, makes The Curse of Lono accessible to everyone.

The Curse of Lono is to Hawaii what Fear and Loathing was to Las Vegas: the crazy tales of a journalist's "coverage" of a news event that ends up being a wild ride to the dark side of Americana. Originally published in 1983, Curse features all of the zany, hallucinogenic wordplay and feral artwork for which the Hunter S. Thompson/Ralph Steadman duo have become known and loved. This curious book, considered an oddity among Hunter's oeuvre, has been long out of print, prompting collectors to search high and low for an original copy. Resurrected by TASCHEN in a bigger size with splendid, full-color illustrations and a foreword by Sean Penn, The Curse of Lono is now available in a special 1000-copy edition, numbered and hand-signed by Thompson and Steadman.

Features all of the zany, hallucinogenic wordplay and feral artwork for which the Hunter S. Thompson/Ralph Steadman duo became known and loved.

Traces the author's friendship and working relationship with Hunter S. Thompson, discussing their collaborative efforts through Gonzo Journalism while covering such subjects as the civil rights movement and Watergate, in a personal account that also evaluates Thompson's 2005 suicide. 50,000 first printing.

From the bestselling author of Fear and Loathing in Las Vegas, the legendary Hunter S. Thompson's second volume of the "Gonzo Papers" is back. Generation of Swine collects hundreds of columns from

the infamous journalist's 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN's 24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, *Generation of Swine* is vintage Thompson—eerily prescient, incisive, and enduring.

This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

First published in 1990, *Songs of the Doomed* is back in print -- by popular demand! In this third and most extraordinary volume of the *Gonzo Papers*, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the *Passing Lane* -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, *Songs of the Doomed* charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." *Songs of the Doomed* is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

The irreverent writer's long lost novel, written before his nonfiction became popular, chronicles a journalist's enthusiastic, drunken foray through 1950s San Juan.

"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what *Forrest Gump* is to idiot savants." --The Philadelphia Inquirer Since his 1972 trailblazing opus, *Fear and Loathing on the Campaign Trail*, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In *Better than Sex*, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast. "[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable." --Los Angeles Daily News "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to (. [He] is a master at the unlikely but invariably telling line that sums up a political figure (. In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --Richmond Times-Dispatch "While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (. He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --Tulsa World "This is a very, very funny book. No one can ever match Thompson in the vitriol department, and virtually nobody escapes his wrath." --The Flint Journal

An almost unnaturally poignant love story from the father of "Gonzo" journalism and *Fear and Loathing in Las Vegas* Hunter S. Thompson. What makes the romantic short story *Screwjack* so touching, for all its queerness, is the aching melancholy in its depiction of the modern man's burden: that "we are doomed. Mama has gone off to Real Estate School...and after that maybe even to Law School. We will never see her again." Hunter S. Thompson's most searing and unnaturally poignant love story, *Screwjack* is simultaneously eerie and feverish, debauched and affecting. Never before—and perhaps never since—has modern man's melancholia been so vividly revealed in one powerful story.
