The "Dice Doctor" is well worth the price tag! Sam has several points of advice that I haven't encountered anywhere else, and I have read a lot of books on craps. Sam has what I consider a unique way of managing your bank roll by using what he calls the "lock up" rack for profits on bets that are won.

This underground classic, written in no-nonsense language by a craps player for a craps player,not a theorist or mathematician includes some of the most profitable craps advice ever put into print. You'll learn professional plays and sane money management strategy, honed from 60 years at the table, from the greatest craps player of all time. You'll learn powerful techniques like finding Qualified Shooters, Converted Come Bets, locking up wins, finding legitimate winning streaks, controlling and protecting your bankroll, and how to make 5 to 10 times more on a hot roll than a weaker bettor starting with the same bets! Grafstein also reveals all the professional plays made at craps his core moves 21 winning strategies covering both sides of the dice! The new edition of this "Super System" of craps includes 30 professional charts and tables.

Zhang Xiaofan, a graduate of the University of Medical Sciences, came home to farm. He had fortuitous encounters, started a journey to counterattack, and went to the hospital to save people, fight bullies, and all sorts of other fields to work for him. The beautiful boss bought his vegetables, put on an act when there was nothing to do, and had a good time of his life. Welcome to the message: 18291490637

Hal Guidry, needs to collar a fugitive now. Not yesterday. Right now. But inside the New Orleans mansion, he instead finds a woman who fires his blood. A woman who knows only her name. A woman definitely in danger. As her memory returns, girl-next-door librarian, Annie Swanson, questions how she knows the oh-so-handsome hunk calling himself a friend. Then she discovers he ' s a bounty hunter like the men who killed her father, and she flees. . . . only to be nearly kidnapped...in broad daylight...in the French Quarter. Annie runs to Hal with questions, but when they ' re both nearly killed in a fiery explosion, he needs answers of his own. As the sexual attraction between them heats up, can Annie cast the dice in his favor? Or will they become victims of the deadly forces intent on keeping secrets? Hal and his brothers have the skills to keep dangerous criminals off the streets and protect the women they love. They don ' t need easy.

" Far superior . . . this uniquely capricious mystery will engage readers from the very first page to the surprising conclusion. " —Publishers Weekly on Murder Is Dicey Welcome to Serenity Cove, a peaceful Southern community where the residents like to play dice, play golf and, when foul play moves in, play detective. When it comes to gardening, Kate McCall is known for having a brown thumb, but when the Serenity Cove garden club hosts an event featuring a celebrity botanist—who ' s also a former college roommate of Kate ' s friend Rita—she plants herself in the audience with all the other Bunco Babes. Before the evening can even get off the ground, though, the guest speaker and her boyfriend are rushed to the hospital with food poisoning, where he eventually dies. Convinced that her boyfriend ' s death was no accident and that she too was meant to die, the famous botanist begs Kate to investigate. Glad to have a chance to use her newly acquired detective skills, Kate starts digging for clues—even when that means adding Rita to the list of suspects. And as the trail grows more tangled and treacherous, Kate realizes she ' ll have to weed out the killer quick, before she ' s the next thing they plant in the ground. This book was originally published under the title Shake, Murder and Roll. Praise for Rosemary and Crime by Gail Oust! " [A] quality first in a Southern cozy series. . . . This is a must-read for fans of Carolyn Hart ' s Death on Demand series, as well as those who like culinary mysteries. " —Publishers Weekly " Gail Oust has crafted an excellent mystery. . . . Truly a cut above—and highly recommended! " —Donna Andrews, New York Times bestselling author of Hen of the Baskervilles " Fans of Jenn McKinlay and Ellery Adams will want to add this series to their reading lists. " —Booklist " Gail Oust has whipped up a killer read. . . . Rosemary and Crime is a character-driven zip zap of a tale with a robust mystery that readers will relish. " —Jenn McKinlay, New York Times bestselling author of Book, Line, and Sinkers " A delicious new mystery series guaranteed to make you hungry for more. Gail Oust ' s warm, witty characters bring southern charm to life. " —Krista Davis, national bestselling author of The Diva Digs Up the Dirt " Gail Oust has created a delicious new addition to the world of cozy mysteries. I'm definitely adding her to my must-read list. " —Jacklyn Brady, national bestselling author of Arsenic and Old Cake

The Dice Man's son must roll the dice himself as his neat and orderly world begins to crumble. Larry Rhinehart is the son of the renegade psychiatrist Luke Rhinehart, who introduced the world to dice-living and dice therapy, where decisions are made not by the self but by the roll of a die. Since his father deserted him when he was still a child, Larry has bitterly rejected everything his father stood for. He has embraced order and control. Now a wealthy Wall Street analyst, he is about to marry the boss's daughter, and become a good deal wealthier. Then Homeland Security shows up in Larry ' s office searching for his father, who is suspected of being behind acts of cyber warfare against government, banking and Wall Street interests. Larry's carefully organized world begins to crumble. Forced to try find his father before the government can, his search is made in the company of Kim, a sexy admirer of Luke ' s. His quest takes him to Lukedom, a Dice Commune where everyone changes roles every day—to Larry ' s own dicing, which leads to love, a broken engagement, rigging the stock market—and total chaos. Larry ' s search is by turns funny, moving, and erotic. By the time he finally confronts his father he has been profoundly and hilariously changed and his previously successful, conservative life has been turned on its head.

Hal Guidry, needs to collar a fugitive now. Not yesterday. Right now. But inside the New Orleans mansion, he instead finds a woman who fires his blood. A woman who knows only her name. A woman definitely in danger. As her memory returns, girl-next-door librarian, Annie Swanson, questions how she knows the oh-so-handsome hunk calling himself a friend. Then she discovers he ' s a bounty hunter like the men who killed her father, and she flees. . . . only to be nearly kidnapped...in broad daylight...in the French Quarter. Annie runs to Hal with questions, but when they ' re both nearly killed in a fiery explosion, he needs answers of his own. As the sexual attraction between them heats up, can Annie cast the dice in his favor? Or will they become victims of the deadly forces intent on keeping secrets? Hal and his brothers have the skills to keep dangerous criminals off the streets and protect the women they love. They don ' t need easy.

In the tradition of The Swerve comes this thrilling, detective-like work of literary history that reveals how a poem created the world we live in today. It was, improbably, the forerunner of our digital age: a French poem about a shipwreck published in 1897 that, with its mind-bending possibilities of being read up and down, backward and forward, even sideways, launched modernism. St é phane Mallarm é ' s "One Toss of the Dice," a daring, twenty-page epic of ruin and recovery, provided an epochal " tipping point, " defining the spirit of the age and anticipating radical thinkers of the twentieth century, from Albert Einstein to T. S. Eliot. Celebrating its intrinsic influence on our culture, renowned scholar R. Howard Bloch masterfully decodes the poem still considered among the most enigmatic ever written. In Bloch ' s shimmering portrait of Belle Époque Paris, Mallarm é stands as the spiritual giant of the era, gathering around him every Tuesday a luminous cast of characters including É mile Zola, Victor Hugo, Claude Monet, Andr é Gide, Claude Debussy, Oscar Wilde, and even the future French prime minister Georges Clemenceau. A simple schoolteacher whose salons and prodigious literary talent won him the adoration of Paris ' s elite, Mallarm é achieved the reputation of France ' s greatest living poet. He was so beloved that mourners crowded along the Seine for his funeral in 1898, many refusing to depart until late into the night, leaving Auguste Renoir to ponder, " How long will it take for nature to make another such a mind? " Over a century later, the allure of Mallarm é ' s linguistic feat continues to ignite the imaginations of the world ' s greatest thinkers. Featuring a new, authoritative translation of the French poem by J. D. McClatchy, One Toss of the Dice reveals how a literary masterpiece launched the modernist movement, contributed to the rise of pop art, influenced modern Web design, and shaped the perceptual world we now inhabit. And as Alex Ross remarks in The New Yorker, "If you can crack [Mallarm é ' s] poems, it seems, you can crack the riddles of existence." In One Toss of the Dice, Bloch finally, and brilliantly, dissects one of literary history ' s greatest mysteries to reveal how a poem made us modern.
